MILLENNIUM ADULT LEARNER BURSARY

The Government of Manitoba and the Canada Millennium Scholarship Foundation have implemented the **Millennium Adult Learner Bursary (MALB)** which will provide non-repayable financial assistance to low-income students who have completed a Mature Adult Diploma from an Adult Learning Centre (ALC) and who are pursuing post-secondary studies.

Who is Eligible?

Low-income adult Manitoba residents attending an ALC who are completing a program of study leading to the completion of a Mature Student Diploma and/or the completion of admission requirements for post-secondary studies are eligible. Applicants must also meet all eligibility criteria including established income requirements based on low income thresholds, and demonstrate academic readiness and motivation.

How much is available?

Up to 100 recipients will receive a bursary of \$5,000 in their first year of study. Students enrolled in programs of study that are longer than one year in duration; who successfully complete 60% of a full-time course load; and who continue to meet the eligibility criteria in each subsequent year of study, will be eligible to have their bursary renewed for subsequent years, as follows: \$4,000 in the second year of study; \$3,000 for the third year of study; and \$2,000 for the fourth year of study. Thus a student enrolled in a four year program is eligible for up to \$14,000 over the four year period.

When are Bursaries awarded?

The Bursary will be awarded to eligible applicants in two instalments upon confirmation of enrolment for each year the student is in a full time post-secondary program for up to four years. The first instalment (50%) is paid in the first semester following confirmation of enrolment and the second instalment (50%) is paid in the second semester following confirmation of enrolment. Students who withdraw from a program of study will be ineligible to receive a bursary in subsequent years.
