

Manitoba  
Council on Post-Secondary Education

**Annual Report**  
**2012-2013**

Manitoba 

---

**MINISTER OF ADVANCED EDUCATION AND LITERACY**

Room 162  
LEGISLATIVE BUILDING  
WINNIPEG, MANITOBA, R3C 0V8  
CANADA

His Honour the Honourable Phillip S. Lee, C.M., O.M.  
Lieutenant-Governor of Manitoba  
235 Legislative Building  
Winnipeg, Manitoba R3C 0V8

Your Honour:

I have the privilege of presenting for the information of Your Honour the Annual Report of the Council on Post-Secondary Education for the fiscal year ended March 31, 2013.

Respectfully submitted,

A handwritten signature in black ink, consisting of a large, stylized 'E' followed by several loops and a horizontal line at the bottom.

Erin Selby

Council on Post-Secondary Education ❖ Conseil de l'enseignement postsecondaire

September 14, 2013

Honourable Erin Selby  
Minister of Advanced Education and Literacy  
162 Legislative Building  
Winnipeg, Manitoba R3C 0V8

Dear Minister:

It is my pleasure to present for your approval, the annual report of the Council on Post-Secondary Education for the year ended March 31<sup>st</sup>, 2013.

The Council's sixteenth year of operation was marked by the achievement of several activities in the areas of programming, policy, finance, and accountability. In 2012/13, the Council approved \$100,000 to support projects that restructure aspects of the post-secondary system. In addition, the Council approved \$2,272,000 in College Expansion Initiative funds for college programming.

The Council Secretariat continued to make significant progress primarily in the areas of nursing, medicine and health education, quality assurance, credit transfer and articulation, tuition fees, legislative and programming reviews, Aboriginal education, learning technologies, and committee participation. The Council Secretariat also continued its participation in the areas of program costing, indicators and accountability policy framework, various research projects, the data management strategy, consultations, and several other initiatives.

The Council's key performance measures for 2012/13 are reported in Appendix B. Performance measures are reported on an annual basis.

The Council's audited financial statements for the year ended March 31, 2013 are included in this report.

Respectfully submitted,

---

Curtis Nordman, D. Phil.  
Chair

# Chapter I

## 1.0 Strategic Direction of the Council on Post-Secondary Education

The Council on Post-Secondary Education (COPSE) undertakes a strategic planning process every three years to develop goals for its three-year strategic plan. The current strategic plan was developed in a facilitated session in January 2010, and the final version of the plan was approved in March 2010.

### 1.1 Overview

COPSE is the provincial government agency responsible for planning and coordinating the development of a post-secondary education system that promotes excellence and accessibility. Created by an Act of the Manitoba Legislature in November 1996, COPSE commenced operation in April 1997. COPSE facilitates the coordination and integration of post-secondary education, reviews and approves university and college programming, provides advice and policy direction to the Government, and promotes fiscal responsibility and accountability in the post-secondary education system.

COPSE is responsible for the allocation of funds to the province's seven public post-secondary institutions, comprising the University of Manitoba, the University of Winnipeg, Brandon University, Red River College, Assiniboine Community College, University College of the North, and Université de Saint-Boniface which includes l'École technique et professionnelle. COPSE also provides grants to the Canadian Mennonite University and to private religious institutions in Manitoba - Steinbach Bible College, Providence University College and Seminary, and William and Catherine Booth University College.

COPSE acts as an intermediary between the post-secondary institutions and the Government. It is composed of eleven members appointed by the Lieutenant Governor in Council, including a chairperson. Reporting to COPSE is a staff Secretariat of fifteen provincial civil servants. The Secretariat undertakes a number of activities and projects designed to fulfill the mandate as specified in *The Council on Post-Secondary Education Act*, and to meet the goals established by COPSE and the Department of Advanced Education and Literacy. The Secretariat also works in consultation with the universities and colleges to support COPSE members in the development of policy and financial accountability.

### 1.2 Mandate

The mandate of the Council on Post-Secondary Education, as stated in *The Council on Post-Secondary Education Act*, is “. . . to plan and co-ordinate the development of a post-secondary education system in the province that promotes excellence in and accessibility to education, supports the co-ordination and integration of services and facilities, and promotes fiscal responsibility.”

## 1.3 The Strategic Plan

COPSE's Strategic Plan and Operating Plan integrate the goals and priorities of the Department of Advanced Education and Literacy, as well as those found in the *Manitoba Training Strategy* and the *Aboriginal Education and Training Framework* and other guiding documents.

### 1.3.1 Guiding Principles

The Council utilizes the following principles to guide its work.

The Council's decisions will be:

- Timely
- Fact-based
- Consistent with a systems approach
- Consultative
- Balanced with social, cultural, and economic priorities.

The Council will:

- Be proactive
- Encourage program innovation
- Encourage institutions to work together and promote portability of student credentials
- Encourage institutions to deliver relevant programs
- Promote the importance of post-secondary education
- Encourage research relevant to the priorities of Manitoba
- Foster the application of technology.

The post-secondary education system will be:

- Cost effective
- Accessible
- Accountable
- Learner focused
- Transparent
- Articulated and integrated
- Relevant.

### **1.3.2 COPSE Priorities**

The following were COPSE's priorities and objectives for the duration of the 2010-2013 strategic plan, as approved in March 2010:

#### Priority 1: Strengthen Accessibility to Post-Secondary Education

Working with colleges and universities to develop actions to improve accessibility in post-secondary education and continuing to strengthen the capacity of institutions through capital and programming improvements.

#### Priority 2: Lead the System

Establishing a vision and direction for the post-secondary system and a process for ongoing review, in conjunction with post-secondary institutions, students, government and other stakeholders.

Defining its intermediary role, its relationship to the government and the post-secondary institutions.

#### Priority 3: Improve System Coordination

Continuing to work with Manitoba's institutions to create a more coordinated system of credit transfer and articulation agreements.

Establishing and managing a permanent working group of government and institutional stakeholders to discuss formulation of a Quality Assurance process for Manitoba.

Developing an accountability framework to support its program approval process, as well as a performance measurement framework for the post-secondary system.

### **1.3.3 Reporting**

Reports on progress achieved against the annual operating plan are made quarterly and presented at a regular meeting of COPSE.

## Chapter II

### 2.0 Activities of the Council on Post-Secondary Education

The Council's sixteenth year of operation was marked by a number of important activities that were closely linked to the goals of the Council's Strategic and Operational Plans.

The ongoing activities that comprise the work of the Council and staff Secretariat were structured around the following areas:

1. Programs
2. Policy
3. Finance
4. Accountability

### 2.1 Programs

The Council approved several new programs and modifications to current programs in 2012/13. These include:

#### **Assiniboine Community College**

- **Business Administration Diploma – Aboriginal Financial Management Specialization**

A two-year diploma in accounting and financial management, which focuses on the Aboriginal sector. The program includes courses relevant to Aboriginal culture, values and principles. Students with this specialization are eligible to apply for a Certified Aboriginal Financial Manager (CAFM) designation.

- **Computer Systems Technology Diploma**

Modification to the current program to reduce the credit hour requirement from 161 credits to 152 credits in response to changes in industry skill and labour market requirements.

- ***John Deere TECH program***

Modification to the current program to reduce the program length from 42 weeks (560 hours) over four years, to 36 weeks (480 hours) over four years by a restructuring of required courses.

#### **Brandon University**

- ***4-year Bachelor of Arts (Honours) in Native Studies and 4-year Bachelor of Arts (Combined Honours) Major in Native Studies***

Enhancement of the current degree offerings in Native Studies by expanding programming to include Honours and Combined Honours degrees; this is consistent with other departments within the University.

- ***4-year Bachelor of Arts (Honours) in Native Studies - Clinical Specialization***

A four-year degree designed to provide both Indigenous and non-Indigenous students with an in-depth Indigenous knowledge base, professional clinical skills and culture competencies needed to work with Indigenous peoples, families and communities. This program arises out of the earlier Bachelor of First Nations and Aboriginal Counselling (FNAC) and Bachelor of Indigenous Health and Human Services (BIHHS) programs.

### **École Technique et Professionnelle**

- ***Paraprofessional Language Services Advanced Diploma Program  
Diplôme d'études avancées en services paralangagiers***

A one-year (645 hours) distance delivered program offered in partnership with l'Université de Saint-Boniface, la Cité collégiale (Ottawa), le Collège Lionel-Groulx (Quebec) and le Collège communautaire du Nouveau-Brunswick (Campbellton campus). This program will provide training to language paraprofessionals supporting translation teams in both the public and private sectors.

### **Red River College**

- ***Red River College (RRC) Pre-Employment Refrigeration and Air Conditioning Program***

Conversion of the existing 10-month program to an accelerated five-month program, which allows RRC to deliver programming to twice as many students each year. Pre-Employment Refrigeration & Air Conditioning will offer content that meets not only the entry level needs of industry, but also the requirements of Apprenticeship Level 1.

### **University of Manitoba**

- ***Bachelor of Arts (Honours) in Criminology***

A four-year degree program designed to engage students in a systematic study of the nature and extent of crime and criminalization, and the array of agencies and programs designed to prevent, control, and respond to criminal activity.

- ***Bachelor of Arts (Honours) in Anthropology***

A four-year degree program designed to meet the demand from students who have a clear desire to pursue post-graduate studies in Anthropology; this is consistent with other departments within the University.

- ***Internationally Educated Agrologists Program (IEAP)***

A one-year post degree program for Internationally Educated Agrologists (IEAs) pursuing formal recognition of their non-Canadian credentials by the Manitoba Institute of Agrologists (MIA). The program includes eight months of coursework plus a four-month work experience. This program was previously offered as a pilot with funding through the previous Labour and Immigration department.

### **University of Winnipeg**

- ***Master of Arts in Indigenous Governance***

Modification to the existing program increasing required credit hours from 30 to 33 in order to better meet the academic needs of students.

### ***2.1.1 Strategic Programs Envelope***

The purpose of the Strategic Programs Envelope is to provide additional funding to post-secondary institutions for the development of new or expanded programs that respond strategically to the needs of Manitoba's social, cultural, economic or labour market situations and are complementary to existing programs. Due to limited resources in the envelope, no new funds were provided in 2012/13.

### ***2.1.2 System Restructuring Envelope***

The System Restructuring Envelope is designed to support projects that restructure some aspect of the post-secondary education system in Manitoba.

In 2012/13 fiscal year, the Council approved \$100,000 from the System Restructuring envelope.

All projects receive one-time only funding unless otherwise indicated.

### **University of Manitoba**

- ***Funding Support for Deaf Student Attending Medical School***

Council provided an additional \$100,000 in 2012/13 in support of a deaf student attending medical school. Funding primarily covers the significant costs for sign language interpreters.

### **2.1.3 Other Council-Approved Projects**

Other projects funded by the Council in 2012/13 include the following:

#### **Brandon University**

- ***Master of Psychiatric Nursing – Final Implementation Costs***

Council approved \$89,000 in 2012/13 and future years, in support of full and final implementation costs related to the Master of Psychiatric Nursing program.

#### **University of Manitoba**

- ***Bachelor of Medical Rehabilitation (Respiratory Therapy) Grant Adjustment Funding***

Council approved ongoing funding of \$180,000 starting in 2012/13, in support of a permanent grant adjustment to the Bachelor of Medical Rehabilitation (Respiratory Therapy) program.

- ***One-time Funding for Master of Nursing, Nurse Practitioner***

Council approved one-time funding of \$200,000 in 2012/13, in support of a two-seat expansion in its Master of Nursing – Nurse Practitioner.

### **2.1.4 The College Expansion Initiative**

The College Expansion Initiative (CEI) supports the growth of Manitoba's public college system. CEI does this by working collaboratively with Assiniboine Community College, Red River College, École technique et professionnelle, University College of the North, and with the Council on Post-Secondary Education.

All CEI program proposals are presented to the Council for approval, as the Council has the authority to grant funding approval for all new and expanded activity.

CEI's investment in Manitoba's college system in 2012/2013 was \$2,272,000.

#### **College and University College Approvals that Received Funding from COPSE:**

##### **Assiniboine Community College**

- ***Early Childhood Education Diploma Program – Continuance of Regional Workplace-Based Program Cohort***

Council approved Assiniboine Community College's request for a continuance of its Regional Workplace-Based Early Childhood Education (ECE) Diploma program with renewed funding from the provincial early learning and child care office in 2012/13. The

program will help fill the shortage of qualified early childhood educators in all areas of the province.

### **Red River College**

- ***Bachelor of Technology in Construction Management***

Council approved Red River College's request for one-time funding of \$176,000 in 2012/13 from the College Expansion Initiative in support of the four-year Bachelor of Technology in Construction Management (BTechCM) program. Introduced by the Province in 2009, BTechCM was designed in response to an increased need for construction managers in our province. The program is based on a curriculum in technology, science, leadership and management to provide graduates with the capabilities of functioning effectively in all construction settings.

- ***Early Childhood Education Diploma Program***

In 2010, Council approved Red River College's request for ongoing funding for the continuance of the 25-seat cohort expansion in the Early Childhood Education (ECE) Diploma program. Total approved funding per year is designated at \$596,352. In 2012/2013 Council provided Red River College \$338,344 in funds, previously committed by COPSE, and the remainder of funds was provided by the provincial early learning and child care office.

- ***Support funding for the Electric Vehicle Technology (EVTECH) Learning and Demonstration Initiative (\$115,000 in 2012/13)***

Council approved Red River College's request for College Expansion Initiative funding of \$115,000 in 2012/13 to support the Electric Vehicle Technology (EVTECH) Learning and Demonstration Initiative. The Electric Vehicle Technology (EVTECH) Initiative was established in 2011 to support the development of electric vehicles in Manitoba. The initiative will help establish Red River College (RRC) as a Canadian leader in electric-vehicle testing and research and will better prepare students for the future of the automotive industry.

## 2.2 Policy Activities

This year COPSE participated in various activities related to post-secondary education policy. These activities relate to legislation and other policy instruments, operations, information management, and networks related to policy development, analysis and implementation.

### 2.2.1 Post-Secondary Policy Framework

The post-secondary policy framework consists of post-secondary-related legislation, the Minister's Framework of Accountability, COPSE bylaws, and operational policies. Together, these policy instruments help to guide the post-secondary system.

#### **New and Amended Legislation**

COPSE sponsors legislative changes relating to the public post-secondary system and manages related processes. This year, COPSE worked with government on the following legislation:

*The Protecting Affordability for University Students Act* (Council on Post-Secondary Act Amended) received royal assent and came into force in June 2012. The legislation is designed to protect the affordability of university education in Manitoba. Consultations with universities and students were held, related to the implications of the proposed amendments. Components of the Act include establishing a multi-year funding scheme for universities, limiting university tuition fee increases to the 12-month rolling Manitoba consumer price index, establishing controls over the designation of course-related fees, and identifying exceptions to the policy for professional programs at universities.

#### **The Minister's Framework of Accountability**

The Minister's Framework of Accountability, required under Section 4(b) of *The Council on Post-Secondary Education Act*, was completed on 20 October 2010 and is published on the Council's website ([www.copse.mb.ca](http://www.copse.mb.ca)).

#### **Operational Policies**

COPSE has eleven approved operational policies.

### 2.2.2 Policy Operations

#### **Co-op Student Hiring Incentive**

The Co-operative Education Tax Credit (CETC) was introduced in the 2003 Budget, and renamed the Co-op Student Hiring Incentive (COS-HI) in 2010. The program was established to encourage corporations to hire students, to encourage students to live and work in Manitoba, and to increase co-operative education in Manitoba. COPSE's responsibility in the program is to ensure that applications for student work placements meet the educational merits of the co-operative education program. A parallel CETC offered to private companies, unincorporated employers, Crown corporations etc, was announced in the March 2006 Provincial Budget.

From the time it was implemented in 2003, a total of 2,033 students, 47 co-op programs, and 575 employers have participated in the program. In 2012, COPSE approved requests for 350 student co-operative work placements. This compares to 297 such placements in 2011.

### **Use of the term “University” under *The Degree Granting Act***

In December 2006, the Legislative Assembly of Manitoba passed *The Degree Granting Act*. This Act included provisions that gave the Minister responsibility for approving the use of the term “university” and “varsity” in a business undertaking or in advertising. In 2007, consistent with the Act, the Minister delegated this authority to COPSE. In January 2009, COPSE approved a policy that provides guidance when analyzing requests for the use of the term “university” or “varsity” in a business undertaking or in advertising. Analysis is prepared and presented to COPSE to assist COPSE in coming to a decision.

During this reporting year, COPSE applied the policy for the following requests:

1. «L'Association Étudiante de l'Université de Saint-Boniface, Inc.» (AEUSB), formerly l'Association Étudiante de la college Saint-Boniface, Inc., is a non-profit organization that provides various student-oriented programs and services at l'Université de Saint-Boniface (USB). COPSE noted that USB has no objection to the organization using the term “university” or «l'Université de Saint-Boniface» in its name.
2. The «Médias Étudiants de l'Université de Saint-Boniface, Inc. » (MEUSB) is a media outlet run by a student association at USB. It serves as the corporate entity that manages the student newspaper, radio station and website/blog. This student association is a new corporation owned by the student association.
3. The “School of Dental Hygiene Alumni Association,” is an organization for graduates of the School of Dental Hygiene, University of Manitoba. COPSE approved the request based on established policy.

### **Inter-Provincial Training Agreements**

In 2012, COPSE administered Inter-Provincial Training Agreements for Veterinary Medicine with the University of Saskatchewan and the other western provinces for a total of 60 seats, for Optometry with the University of Waterloo in Ontario for a total of 12 seats, and for Nuclear Medicine with Southern Alberta Institute of Technology (SAIT) in Alberta for a total of 6 seats.

## **2.2.3 Post-Secondary Information Management**

### **Advanced Education and Literacy (AEL) Data Strategy**

Continued work with the Corporate Services Branch of AEL on the development of a data strategy for the post-secondary and adult education sectors in Manitoba. The data strategy is designed to increase efficiency in the collection of data, to strengthen accountability and reporting. In 2012, COPSE led a meeting with the Education Data Information Advisory Committee, the ministerial advisory committee composed of senior executives from colleges and universities. The technical advisory working group also met in 2012.

### **Orientation Package**

Updated the Orientation Package for new COPSE staff and members. The Orientation Package was developed in response to the 2002 Organizational and Operational Review of the COPSE and is updated regularly.

### **Post-Secondary Student Information System (PSIS)**

Worked with the Corporate Services Branch of AEL and Statistics Canada on ongoing development regarding this national information collection process.

### **Website Management**

Maintained and updated COPSE's website as required. Web services are provided by the Industry Training Partnerships Branch of Manitoba Entrepreneurship, Training and Trade.

## **2.2.4 Policy Networks**

### **Aboriginal Education and Employment Action Plan (AEEAP) Committee**

Participated on inter-departmental committee to discuss renewal of AEEAP plan.

### **ACCESS Director's Group**

Attended biannual meetings to address planning and program-related issues.

### **Advanced Education and Literacy Department Plan Working Group**

Participated with representatives of all AEL branches and agencies to develop, monitor and report on the AEL Department Plan.

### **Advisory Committee for the Western College of Veterinary Medicine**

Served on the Advisory Committee for the Western College of Veterinary Medicine.

### **Brandon Regeneration Strategy Interdepartmental Working Group**

Participated in the creation of an interdepartmental plan for stimulating the revitalization of Brandon, with a focus on the downtown area.

### **Churchill Northern Studies Centre**

Participated as a member of the board of the Churchill Northern Studies Centre, steering the Centre and contributing to its strategic direction.

### **Coordinating Committee on Entry to Practice Credentials (CCETPC)**

Participated in the process of managing the review process for proposed changes in entry-to-practice credentials to assist provincial/territorial governments in making informed decisions about credential change.

### **Council of Ministers of Education, Canada (CMEC)**

Participated in the following committees: Working Group on Credit Transfer, Pan-Canadian Committee on Quality Assurance

### **Education for Sustainable Development – Leadership Committee**

Participated on the committee that works to integrate the principles of education for sustainable development into all facets of education in Manitoba.

### **Health Education Liaison Group**

Participated on this interdepartmental team responsible for policy direction for health-related educational programs.

### **Inter-Departmental Climate Change Adaptation Working Group**

Participated as AEL representative on this initiative

### **Manitoba Nursing Advisory Council**

Represented COPSE and the Department of Advanced Education and Literacy on a province-wide council dealing with nursing education, and with supply and demand issues.

### **Midwifery Advisory Committee**

Chaired the Midwifery Advisory Committee, monitoring and making recommendations regarding the implementation of midwifery education in Manitoba.

### **Post-Secondary Academic Coordination Working Group**

Established committee of Vice-Presidents (Academic) with a broad sectoral mandate to address issues related to programs, policy and strategic initiatives. Initial discussions have focused on credit transfer issues.

### **Post-Secondary Education Committee on Learning Technologies**

Guided the activities of the Post-Secondary Education Committee on Learning Technologies to provide support and participate in policy-making with respect to Campus Manitoba and other distributed learning activities.

### **Teacher Education and Certification Committee (TECC)**

Served as a member of TECC, monitoring data sharing regarding Teacher supply and to provide feedback concerning proposed amendments to Teacher Education programming across Manitoba.

### **Technical Vocational Education Advisory Committee**

Served on the Steering Committee comprised of government, college, business, education, and community representatives that provide guidance to the Technical Vocational Initiative.

### **Western and Northern Health Human Resources Forum**

Worked collaboratively with members from health and education from the four western provinces and the territories to strategize on health human resources issues in western and northern Canada.

### **Winnipeg Regeneration Strategy Interdepartmental Working Group**

Participated in the creation of a interdepartmental plan for stimulating the revitalization of Winnipeg.

### **Workplace, Safety and Health**

Served on the Departmental Workplace, Safety and Health committee.

## **2.3 Finance**

### **Estimates Process**

#### **2.3.1 Operating Budgets**

The annual Estimates process for the universities and colleges commenced in June 2012. At that time, the Council requested that institutions review the financial requirements for the following fiscal year and submit an Estimates request for the Council's review. The Estimates information was requested in a format that allowed for comparative analysis of institutions. In this way, the Council could make informed judgments about the requirements of each institution when formulating its recommendations to Government.

Institutions were requested to provide a base level budget with explanations for increases and a detailed assessment of impacts, as well as information related to enrollment levels and staffing, and status reports on previously funded new programs and System Restructuring grants.

The budget submissions were received in late September 2012, at which time the Council reviewed the individual submissions and the analyses of the financial requirements prepared by Council staff. Following this review, the Council members met with each institution separately so that the institution could present its budget request and provide additional information to the Council. The Council also met with faculty and student representatives.

Following the meetings with the colleges and universities, the Council developed a presentation for the Minister of Advanced Education and Literacy, recommending funding levels for the post-secondary education system. This was based on the information provided by the colleges and universities and the Council's view of funding requirements. The Minister reviewed the presentation and then made recommendations to Government. Final funding levels were determined and communicated following the budget announcement in spring 2013. The Council then finalized its allocation of available funds by institution, and the colleges and universities were advised.

## **2.3.2 Major Capital**

The annual Estimates process for Major Capital for the universities also commenced in June, 2012. At that time, the Council requested that institutions review the major capital requirements for the following fiscal year and submit the Estimates request.

The Council has responsibility for approving capital projects and distributing major capital grants at the universities only. Since 1998/99, the Council has utilized a process for ranking the capital project requests of the universities. This process involves engaging the Manitoba Department of Infrastructure and Transportation (MIT) with its technical expertise to review the major capital requirements at the universities and to develop a plan, including budget and scheduling, to address the most critical requirements at the universities. When the major capital requests are received, the submissions are forwarded to MIT for review and analysis. MIT then provides advice to the Council in the allocation of the major capital funding at universities.

MIT has responsibility for funding Major Capital projects at the colleges and at UCN. Community college projects were considered by MIT concurrently with the requests from other government departments. Funding decisions were communicated to the Council, the colleges and to UCN when the budget was announced in the spring.

## **2.3.3 Projects**

The review of major capital projects has proven to be successful in identifying the projects that require immediate attention and in accessing additional funds from Government. Some of the major projects funded in 2012/13 included:

### **Brandon University**

- McKenzie Building Exterior Caulking
- McKenzie Building Window Replacement
- Steam Plant Roof Replacement
- Window Replacement

### **University of Manitoba**

- Asbestos Abatement
- Fire Safety non-compliance
- Sewer System Upgrades and Backflow Prevention
- Window Replacement
- Bannatyne Electrical Distribution Upgrade

## **University of Winnipeg**

- Elevator Upgrade
- Washroom Repairs & Upgrades

## **2.4 Accountability**

COPSE undertook the following work related to accountability this year.

### **2.4.1 Monitoring System Performance**

#### **Indicators**

Post-secondary institutions continued to report indicators of student success, including information on retention, attrition and graduation rates at colleges and universities. These are published in the annual Statistical Compendium.

#### **Program Costing**

Beginning in 1997/98, institutions report program costs using a common methodology. This methodology employs common definitions, procedures and reporting formats to allow for better comparative analysis of financial data from public universities and colleges in the province. Data is collected annually from public universities and colleges.

#### **Early Leavers Survey**

In 2010/11, COPSE, in partnership with colleges and universities undertook a Survey of Early Leavers. The target population included students who were enrolled full-time in the 2009/10 academic year, did not complete the 2009/10 session, and/or did not return to enrol in the 2010/11 session, and did not graduate by spring or fall 2010.

The Survey gathered information on early leavers' experiences before enrollment, reasons, expectations and goals for attending, use of and satisfaction with services while attending, reasons for leaving, and outcomes since leaving the post-secondary institution in which they were originally enrolled. A report on findings was completed in 2012 and is available on COPSE's website ([www.copse.mb.ca](http://www.copse.mb.ca)).

#### **Student Complaints**

COPSE receives complaints from students regarding their post-secondary experiences. COPSE cannot intervene on a student's behalf regarding a problem with a post-secondary institution. *The Council on Post-Secondary Education Act*, Section 3(2) states that, "in carrying out its mandate, the council may not interfere with:

- (a) the basic right of a university or college to formulate academic policies and standards;
- (b) the independence of a university or college in fixing standards of admission and of graduation; or
- (c) the independence of a university or college in the appointment of staff."

While concerns should be addressed with the institution in question, including the use of student advocates, ombudsmen, student associations, and other established institutional appeal processes, nevertheless, students do raise concerns with government about their experiences with post-secondary institutions. Such complaints are either made directly to COPSE, or referred to COPSE by another government office.

Complaints are received by telephone, email and by letter. In 2012/13, a total of nine complaints were received and addressed by COPSE.

## **2.4.2 Public Reporting and Disclosure**

### **Annual Reports**

As required by *The Council on Post-Secondary Education Act*, COPSE prepares and submits to the Minister of Advanced Education and Literacy an annual report of its operations, including the audited financial statements, within six months following the end of the fiscal year.

The universities and colleges are required to prepare and submit an annual report of operations including the audited financial statements to COPSE and to the Minister of Advanced Education and Literacy. These reports are required within six months for the universities and within four months for the colleges, following the end of each fiscal year.

As required by *The Colleges Act*, the colleges must prepare an annual budget prior to the beginning of each fiscal year. Colleges must also publish an annual academic report that includes student information on enrollment, attrition, graduation, and graduate employment placement in accordance with the guidelines provided.

These documents are analyzed throughout the year by COPSE and information is utilized for funding requests to Government and to report on the activities of the post-secondary institutions in Manitoba.

### **Statistical Compendium**

In fall 2013, COPSE will release the tenth edition of the annual Statistical Compendium on its website for the 2011-2012 academic year. The Compendium, developed in cooperation with the colleges and universities, contains data on student enrolments, graduates, programs, tuition fees, retention rates, etc. in the post-secondary education system. The Compendium will be available on COPSE's website ([www.copse.mb.ca](http://www.copse.mb.ca)).

### **Whistleblower Reporting**

*The Public Interest Disclosure (Whistleblower Protection) Act* came into force in 2006, and included a requirement for annual reporting. In 2012/13, COPSE did not receive any disclosures under the *Act*. This was the same as in 2011/12.

**Freedom of Information Requests** In 2012/13, COPSE handled six requests for information under *The Freedom of Information and Protection of Privacy Act* (FIPPA). This is compared to four requests handled in 2011/12.

## Management's Report

### ***Management's Responsibility for the Council on Post-Secondary Education's Financial Statements***

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Council. The Council reviews internal financial statements on a monthly basis and external audited financial statements yearly.

The external auditors, Office of the Auditor General of Manitoba, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of Council on Post-Secondary Education and meet when required.

On behalf of Council on Post-Secondary Education

Ray Karasevich  
Secretary

Carlos Matias, CGA  
Chief Financial Officer

July 12, 2013

## INDEPENDENT AUDITOR'S REPORT

To the Legislative Assembly of Manitoba  
To the Council on Post-Secondary Education

We have audited the accompanying financial statements of the Council on Post-Secondary Education, which comprise the statement of financial position as at March 31, 2013, and the statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Council on Post-Secondary Education as at March 31, 2013 and the results of its operations, the changes in its net financial assets, and its cash flows for the year then ended, in accordance with Canadian public sector accounting standards.

## THE COUNCIL ON POST-SECONDARY EDUCATION

---

### Notes to Financial Statements for the year ended March 31, 2013

---

#### 1. Nature of Operations

The Council on Post-Secondary Education (COPSE) was established by an Act of the Legislature passed in 1997 and is composed of 11 members appointed by the Lieutenant-Governor-in-Council.

The Universities Grants Commission Act was repealed effective April 28, 1997 by the Council on Post-Secondary Education Act.

The Council on Post-Secondary Education Act provided that the University Grants Fund be continued as the Post-Secondary Grants Fund. All assets and liabilities of the Universities Grants Commission were transferred to the Council on Post-Secondary Education.

Primarily, the Council on Post-Secondary Education provides funding to Manitoba's universities and community colleges for approved programs and capital projects from funds received from the Province of Manitoba.

On April 11, 2006, Treasury Board authorized the reorganization of the Council on Post-Secondary Education Secretariat. This included the integration of the College Expansion Initiative into the Council on Post-Secondary Education Secretariat.

#### 2. Significant Accounting Policies

##### A. **Basis of Accounting**

The Council on Post-Secondary Education's annual financial statements are prepared by management in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board.

##### B. **Financial Instruments**

Financial Instruments consist of cash and cash equivalents, accounts receivable, loan receivable, accounts payable and accrued liabilities and grants payable. The loan receivable is measured at amortized cost using the effective interest rate method; all other financial assets and financial liabilities are measured at cost. All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations.

##### C. **Revenue Recognition**

Revenue is recognized as funds are drawn from Province of Manitoba appropriations.

##### D. **Grant Expense**

Operating, support program, college expansion initiative, access, and strategic initiatives grants reflect payments/payables to Manitoba universities and community colleges for their annual operations. These grants are funded on the basis of scheduled payments to meet the operating requirements of the universities and community colleges. Operating grants are also provided to private religious colleges and to the Winnipeg Technical College.

## THE COUNCIL ON POST-SECONDARY EDUCATION

---

### Notes to Financial Statements for the year ended March 31, 2013

---

Major capital grants based on shared cost agreements are funded on a reimbursement basis. The university must first incur eligible costs as defined in the terms of the agreement, which the Council then reimburses.

Major capital grants to universities that are discretionary grants are funded when the university has met the eligibility criteria and fulfilled the conditions set out by the Council.

Equipment and renovation grants are provided to Manitoba universities and community colleges based on the cash flow requirements of those institutions.

#### **E. Vacation and Severance Benefits**

Employees of the Council are entitled to vacation and severance benefits in accordance with the terms of the collective agreement. The liability for vacation is recorded based on the Council's best estimates. The liability for severance benefits is based on an actuarial valuation using the accrued benefit cost method and management's best estimates of salary escalation, retirement ages of employees and employee mortality. Actuarial gains or losses are amortized over the expected average remaining service life of employees (EARSL). EARSL is estimated at 15 years.

#### **F. Employer's Share of Employees' Pension Benefits**

Employees of the Council are pensionable under the Civil Service Superannuation Act. The Council accrues a provision for the liability for the employer's share of employee pension benefits, including future cost of living adjustments, based on an actuarial valuation using the accrued benefit cost method and management's best estimates of salary escalation, retirement ages of employees and employee mortality. Actuarial gains or losses are amortized over the expected average remaining service life of employees (EARSL). EARSL is estimated at 15 years.

#### **G. Tangible Capital Assets**

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset. Amortization is provided on a straight-line basis over the assets' estimated useful lives, in accordance with the Province of Manitoba guidelines, as follows:

Furniture	10 years
Leasehold Improvements	10 years
Office Equipment	10 years
Computer Equipment	4 years
Computer Software	4 years

**Notes to Financial Statements  
for the year ended March 31, 2013**

---

**H. Measurement Uncertainty**

The preparation of financial statements in conformity with Canadian public sector accounting standards, requires management to make estimates and assumptions that affect the reporting amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of the revenues and expenses during the period.

Estimates are based on the best information available at the time of preparation of the financial statements and are reviewed annually to reflect new information as it becomes available. Measurement uncertainty exists in these financial statements. Actual results could differ from these estimates.

**3. Loan Receivable – Province of Manitoba**

The loan receivable from the Province of Manitoba represents the following recoverable amounts.

	<u>2013</u>	<u>2012</u>
Severance Pay	\$ 104,141	\$ 104,141
Pension	<u>1,277,213</u>	<u>1,203,877</u>
	<u>\$ 1,381,354</u>	<u>\$ 1,308,018</u>

The amount recorded as a receivable from the Province for funding of the severance pay liability was initially based on the estimated value of the corresponding actuarially determined liability for severance pay as at March 31, 1998. Subsequent to March 31, 1998, the Province provides annual grant funding for severance expense. As a result, the change in the severance pay liability each year is fully funded. The interest component related to the receivable is reflected in the funding for severance expense. The receivable for severance pay will be paid by the Province when it is determined that the cash is required to discharge the related severance pay liabilities.

The Province has accepted responsibility for providing the funding for the Council's pension liability and related expense which includes an interest component. The Council has therefore recorded a receivable from the Province equal to the estimated value of its actuarially determined pension liability of \$1,277,213 (2012 - \$1,203,877) and has recorded revenue for the year ended March 31, 2013 equal to its pension expense of \$132,334 (2012 - \$126,809). The Province will make payments on the receivable when it is determined that the cash is required to discharge the related pension obligations.

**4. Risk Management**

**Interest Rate and Foreign Currency Risk**

The Council's exposure to interest rate risk is considered low because of the short-term nature of its cash equivalents and accounts receivable. The majority of the balance of the loan receivable is not subject to interest rate risk because it is derived from the provision for employer's share of employees' pension benefits.

## THE COUNCIL ON POST-SECONDARY EDUCATION

---

### Notes to Financial Statements for the year ended March 31, 2013

---

The Council is not exposed to foreign currency risk as it has no foreign currency denominated financial instruments.

#### Credit Risk

Credit risk is the risk of potential loss to the Council if a counterparty to a financial instrument fails to discharge an obligation. The Council's credit risk is primarily attributable to its cash, cash equivalents, accounts receivable and loan receivable. The credit risk on cash and cash equivalents is considered low as the counterparty is a high credit quality institution. The credit risk on accounts receivable and the loan receivable is considered low because the counterparty is the Province of Manitoba.

The carrying amount of financial assets represents the maximum credit risk exposure. The maximum exposure to credit risk at March 31 was:

	Carrying Amount	
	2013	2012
Financial Assets		
Cash and cash equivalents	\$210,721	\$371,370
Loans and Receivables:		
Accounts Receivable	7,659,766	3,400,583
Loan Receivable – Province of Manitoba	1,381,354	1,308,018
	<u>\$9,251,841</u>	<u>\$5,079,971</u>

**THE COUNCIL ON POST-SECONDARY EDUCATION**

Total	<u>\$ 11,874</u>	<u>\$ 12,551</u>

## THE COUNCIL ON POST-SECONDARY EDUCATION

---

### Notes to Financial Statements for the year ended March 31, 2013

---

An actuarial valuation of the severance obligations as at March 31, 2011 was conducted by Ellement & Ellement Ltd., Consulting Actuaries. The key actuarial assumptions used in that valuation were a rate of return of 6.0% (2010 – 6.5%), inflation rate of 2.0% (2010 – 2.5%) and salary rate increases of 2.75% (2010 – 3.25%). The liability has been extrapolated to March 31, 2013 using a formula provided by the actuary. The next actuarial valuation will be as at March 31, 2014.

#### 7. Provision for Employer's Share of Employees' Pension Benefits

	<u>2013</u>	<u>2012</u>
Pension Obligations, at beginning of year	\$ 1,221,722	\$ 1,135,865
Actuarial loss (gain)	(53,959)	19,120
Benefits accrued	58,015	49,866
Interest accrued on obligations	76,641	75,668
Benefits paid	<u>(58,997)</u>	<u>(58,797)</u>
Pension Obligations, at end of year	\$ 1,243,422	\$ 1,221,722
Unamortized actuarial gains (losses)	<u>33,791</u>	<u>(17,845)</u>
Pension Liability	<u>\$ 1,277,213</u>	<u>\$ 1,203,877</u>
Pension Benefit Expense		
	<u>2013</u>	<u>2012</u>
Current service costs, net of employee contributions	\$ 58,015	\$ 49,866
Interest costs	76,641	75,668
Amortization of actuarial losses (gains)	<u>(2,322)</u>	<u>1,275</u>
Pension Benefit Expense	<u>\$ 132,334</u>	<u>\$ 126,809</u>

An actuarial valuation of the pension obligations as at December 31, 2011 was conducted by Ellement & Ellement Ltd., Consulting Actuaries. The key actuarial assumptions used in that valuation (and the December 31, 2010 actuarial valuation) were a discount rate of 6.0%, inflation rate of 2.0%, salary rate increases of 2.75% and post retirement indexing at 2/3 of the inflation rate. The liability has been extrapolated to March 31, 2013 using a formula provided by the actuary. The next actuarial valuation will be as at December 31, 2012.

#### 8. Contractual Obligations

The Council on Post-Secondary Education has approved funding of \$5,553,565 (2012 - \$307,600) for various new programs and system restructuring which will be provided over fiscal years 2013/14 to 2016/17.

#### 9. Related Party Transactions

In addition to those related party transactions disclosed elsewhere in these financial statements, the Council on Post-Secondary Education is related in terms of common ownership to all Province of Manitoba created departments, agencies and Crown corporations. The Council on Post-Secondary

## Chapter IV

### Membership of the Council on Post-Secondary Education

The Council on Post-Secondary Education is composed of eleven members appointed by the Lieutenant Governor in Council for a term not exceeding three years. Each member may be re-appointed for one additional term.

The Council members for the period of April 2012 to March 2013 were:

Curtis Nordman (Chair)	Winnipeg
Bonnie Proven (Vice-Chair)	Minnedosa
Rex Masesar (to March 31, 2013)	Winnipeg
Ross Wedlake (to June 30, 2012)	Winnipeg
Marlene Head (to September 30, 2015)	The Pas
Tayeb Meridji (to March 31, 2014)	Winnipeg
Jagdish Malik (to June 30, 2015)	Gilbert Plains
Carol Johnson (to June 30, 2014)	Winnipeg
Jerry Storie (to September 30, 2013)	Brandon
Beverlie Stuart (to June 30, 2014)	Winnipeg
Ian Hall (to March 30, 2013)	Winnipeg

## Secretariat of the Council on Post-Secondary Education

Ray Karasevich, MPA	Secretary (July 2012)
Valerie Shantz, MA, MPA	A/Director, Institutional Relations (February 2013)
Vacant	Senior Program Analyst
Melissa Weavers, B.HEc., M.Sc. (Cand.)	Program Analyst
Sarah Whiteford, PhD	Director, Policy and Legislative Affairs (February 2013)
Meg Brolley, M.Ed.	Senior Policy Analyst
Jeffrey Kehler, MPA	Policy Analyst
Kitty Leong	Statistical Analyst
Kim Browning, M.Sc., M.Ed.	Director, Strategic Initiatives
Rick Dedi, MPA	Director, Post-Secondary Capital Initiatives (December 2012)
Carlos Matias, B. Comm. (Hons.), CGA	Chief Financial Officer
Chris Simes, CGA	Senior Financial Officer
Christine Gosselin	Accounting Clerk
Patricia Ferris	Executive Secretary
Janie Trudel	Administrative Assistant

## Appendix A

### Public Interest Disclosure (Whistleblower Protection) Act

The *Public Interest Disclosure (Whistleblower Protection) Act* came into effect in April 2007. This law gives employees a clear process for disclosing concerns about significant and serious matters (wrongdoing) in the Manitoba public service, and strengthens protection from reprisal. The Act builds on protections already in place under other statutes, as well as collective bargaining rights, policies, practices and processes in the Manitoba public service.

Wrongdoing under the Act may be: contravention of federal or provincial legislation; an act or omission that endangers public safety, public health or the environment; gross mismanagement; or, knowingly directing or counseling a person to commit a wrongdoing. The Act is not intended to deal with routine operational or administrative matters.

A disclosure made by an employee in good faith, in accordance with the Act, and with a reasonable belief that wrongdoing has been or is about to be committed is considered to be a disclosure under the Act, whether or not the subject matter constitutes wrongdoing. All disclosures receive careful and thorough review to determine if action is required under the Act, and must be reported in a department's annual report in accordance with Section 18 of the Act.

The following is a summary of disclosures received by the Council on Post-Secondary Education for fiscal year 2012/13:

Information Required (per Section 18 of the Act)	Fiscal Year 2012/13
The number of disclosures received, and the number acted on and not acted on. <i>(Subsection 18(2)(a))</i>	Nil
The number of investigations commenced as a result of a disclosure. <i>(Subsection 18(2)(b))</i>	Nil
In the case of an investigation that results in a finding of wrongdoing, a description of the wrongdoing and any recommendations or corrective actions taken in relation to the wrongdoing, or the reasons why no corrective action was taken. <i>(Subsection 19(2)(c))</i>	Nil

## Appendix B

### Performance Reporting - Council on Post-Secondary Education

The following section provides information on key performance measures for the department for the 2012/13 reporting year. All Government of Manitoba departments include performance measures in their Annual Reports to complement the financial results and provide Manitobans with meaningful and useful information about government activities and their impact on the province and its citizens.

For more information on performance reporting and the Manitoba government, visit [www.manitoba.ca/performance](http://www.manitoba.ca/performance).

Your comments on performance measures are valuable to us. You can send comments or questions to [mbperformance@gov.mb.ca](mailto:mbperformance@gov.mb.ca).

What is being measured and using what indicator? (A)	Why is it important to measure this? (B)	Where are we starting from (baseline measurements)? (C)	What is the 2012/13 result (current year) or most recent available data? (D)	What is the trend over time? (E)	Comments/ recent actions/report links (F)
1. Accessibility to post-secondary education by measuring enrollment in Manitoba's universities and colleges	<p>Student enrollment at universities and colleges is a key indicator of accessibility to post-secondary education.</p> <p>Accessibility to post-secondary education is linked to success in the labour market through better career opportunities and is linked to improved health and wellness.</p>	<p>Historical enrollment at universities and colleges</p> <p><b>1999/00 University Enrollment<sup>1</sup></b>            Full time 22,410            Part time <u>8,255</u>            Total 30,665</p> <p><b>1999/00 College Enrollment<sup>2</sup></b>            Full time 10,452            Part time <u>597</u>            Total 11,049</p>	<p>Enrollment in Manitoba's universities in 2012/13 and colleges in 2011/12</p> <p><b>2012/2013 University Enrollment<sup>1</sup></b>            Full time 33,273            Part time <u>10,280</u>            Total 43,553</p> <p><b>2011/2012 College Enrollment</b>            Full time 15,534            Part time <u>1,680</u>            Total 17,214</p>	<p>Increasing</p> <p><b>University Total Enrollment</b> - between 1999/00 and 2012/13 full- and part-time enrollment increased by 42% for undergraduate and graduate students.</p> <p><b>College Enrollment</b> - between 1999/00 to 2011/12, colleges' apprenticeship and regular day enrolment increased by 55.8%.</p>	<p>Further details on enrollment and other performance indicators can be found by contacting the Council on Post-Secondary Education or accessing the Statistical Compendium on the Council's website at <a href="http://www.copse.mb.ca/en/publications/index.html">http://www.copse.mb.ca/en/publications/index.html</a></p> <p>New investments continue to be made in early intervention programming designed to improve high school graduation and increase access to and retention in post-secondary education for disadvantaged, under-represented (including Aboriginal), and low-income students. The Bright Futures fund targeted \$1 million in 2008/09 for this purpose and this was tripled to \$3 million in 2010/11.</p>

<sup>1</sup> Includes undergraduate and graduate students in regular session only (September to April)

<sup>2</sup> Includes regular programs and apprenticeship. Does not include continuing education, distance education and contract training.

What is being measured and using what indicator? (A)	Why is it important to measure this? (B)	Where are we starting from (baseline measurements)? (C)	What is the 2012/13 result (current year) or most recent available data? (D)	What is the trend over time? (E)	Comments/ recent actions/report links (F)
					<p>Data on Aboriginal enrollment are based on self-identification and although data have improved, likely under-represents the actual proportion of Aboriginal learners.</p> <p>2011/12 distribution of Aboriginal enrolment is similar to previous year at:  University – 8%  College – 12.9%</p>
2. Affordability of post-secondary education by measuring the cost of post-secondary education to students.	The cost of post-secondary education to students is a key indicator of affordability of post-secondary education	<p>Tuition Fees paid by students at Manitoba's public post-secondary institutions for the 1999/00 academic year</p> <p>1999/00 University tuition weighted average<sup>3</sup> for Arts and Sciences was \$3,192</p> <p>1999/00 College tuition un-weighted average was \$1,435</p>	<p>Tuition Fees paid by students at Manitoba's public post-secondary institutions for the 2012/13 academic year</p> <p>2012/13 University tuition (weighted average) for Arts and Sciences was \$3,221</p> <p>2012/13 College tuition (un-weighted average) was \$1,775</p>	<p>Tuition was reduced by 10% in 2000/01 and frozen until 2009/10. Tuition increases for 2012/13 were limited to 2.8%.</p> <p>College tuition increases for 2012/13 were limited to \$150.</p>	<p>On April 22, 2009, following the release of the Levin Commission Report, the Government announced that it would allow a 4.5% increase in university tuition fees which would include any ancillary fees increase, and a \$100 increase for college tuition fees for the 2009/10 academic year. This is the first tuition fee increase since a 10% tuition fee reduction and freeze was implemented in 1999/00 as part of a broader strategy to increase participation in post-secondary education.</p> <p>Manitoba's University tuition is the third lowest in the country, after Quebec and Newfoundland. (Source: Statistics Canada) Manitoba's College tuition is the second lowest in</p>

<sup>3</sup> The weighted average takes into account the latest enrolment count by universities and the tuition fees paid by Arts and Science students.

What is being measured and using what indicator? (A)	Why is it important to measure this? (B)	Where are we starting from (baseline measurements)? (C)	What is the 2012/13 result (current year) or most recent available data? (D)	What is the trend over time? (E)	Comments/ recent actions/report links (F)
					<p>Canada after Newfoundland (and excluding Quebec).</p> <p>In addition to student loans, \$39.0M was awarded in the form of non-repayable assistance in 2010/11.</p> <p>In 2010/11, the Student Success Grant was established to assist students who had unmet financial need. In the first year of the program, 161 students received a Student Success Grant.</p> <p>In 2009/10, CMSB was eliminated and the Canada Student Grant Program (CSGP) was introduced. Manitoba student debt levels remain second lowest in Canada (next to Quebec).</p>

What is being measured and using what indicator? (A)	Why is it important to measure this? (B)	Where are we starting from (baseline measurements)? (C)	What is the 2012/13 result (current year) or most recent available data? (D)	What is the trend over time? (E)	Comments/ recent actions/report links (F)																																				
3. Student Success in the post-secondary education system by looking at the degrees, diplomas and certificates awarded by the institutions	<p>A key indicator of student success in the post-secondary education system is the number of degrees, diplomas and certificates awarded to students by colleges and universities.</p> <p>Research shows that attaining a post-secondary education credential is important for participation and success in the modern knowledge economy.</p>	<p>Degrees, diplomas and certificates awarded by Manitoba universities and colleges in 1999</p> <p><b>1999 University Graduates</b></p> <table border="0"> <tr><td>Bachelor Degree</td><td>4,460</td></tr> <tr><td>Master's Degree</td><td>578</td></tr> <tr><td>Doctoral Degree</td><td>67</td></tr> <tr><td>Medicine &amp; Dentistry</td><td>121</td></tr> <tr><td>Certificate/Diploma</td><td><u>215</u></td></tr> <tr><td>Total</td><td>5,441</td></tr> </table> <p><b>1999 College Graduates</b></p> <table border="0"> <tr><td>Diploma</td><td>1,279</td></tr> <tr><td>Certificate</td><td><u>1,578</u></td></tr> <tr><td>Total</td><td>2,857</td></tr> </table> <p>University and College Graduates are reported in the calendar year of graduation</p>	Bachelor Degree	4,460	Master's Degree	578	Doctoral Degree	67	Medicine & Dentistry	121	Certificate/Diploma	<u>215</u>	Total	5,441	Diploma	1,279	Certificate	<u>1,578</u>	Total	2,857	<p>Degrees, diplomas and certificates awarded by Manitoba's universities and colleges in 2011</p> <p><b>2012 University Graduates<sup>4</sup></b></p> <table border="0"> <tr><td>Bachelor Degree</td><td>5,691</td></tr> <tr><td>Master's Degree</td><td>797</td></tr> <tr><td>Doctoral Degree</td><td>132</td></tr> <tr><td>Medicine &amp; Dentistry</td><td>139</td></tr> <tr><td>Certificate/Diploma</td><td><u>283</u></td></tr> <tr><td>Total</td><td>7,042</td></tr> </table> <p><b>2011 College Graduates<sup>4</sup></b></p> <table border="0"> <tr><td>Diploma</td><td>1,988</td></tr> <tr><td>Certificate</td><td><u>2,463</u></td></tr> <tr><td>Total</td><td>4,551</td></tr> </table>	Bachelor Degree	5,691	Master's Degree	797	Doctoral Degree	132	Medicine & Dentistry	139	Certificate/Diploma	<u>283</u>	Total	7,042	Diploma	1,988	Certificate	<u>2,463</u>	Total	4,551	<p>Increasing</p> <p>From 1999 to 2012, the total number of university credentials granted increased by 29.4%</p> <p>From 1999 to 2011, the number of college graduates (diploma and certificate) increased by 55.8%</p>	<p>In 2009/10, \$2 million was available to Graduate Scholarships to support 104 Masters students and 60 PhD students.</p>
