

First Nations and British (Western) Historical Worldviews

BLM
1.3.9

Compare the lists that follow and create a Venn diagram comparing traditional worldviews of First Nations, Métis and Inuit peoples to western worldviews. Respond to the following questions:

- In your view
 - which beliefs have caused the greatest misunderstanding between indigenous and non-indigenous Canadians?
 - which beliefs have the greatest potential for building understanding between indigenous and non-indigenous Canadians?

Add your Venn diagram and the answers to your questions to your portfolio.
