

Test Reread and Test Return

Test Reread

- The school division establishes its own policy regarding test reread requests.
- Should a reread be requested for a test booklet that has been sent to the Department as a part of the sample for the feedback on the marking process, the Department will return a photocopy of the test booklet.

Test Return

- Whether test booklets are retained by school divisions or returned to students is to be determined by each school division.
- Test booklets sent to the Department as part of the sample for the feedback on the marking process will be returned to schools within three months of test administration.
