Skills/concepts: number recognition and facts to ten

Materials: deck of cards - ace to 10
or 4 sets of number cards 1 to 10
or 4 sets of filled ten frames 0 to 10 (2 sets can fill by doubles and 2 sets can fill by fives - this allows for the 0 and 10 combination)

Number of Players: 2 or 3

Directions: Cards are dealt face down in 9 piles of approximately the same size. The last card in each pile is turned face up. Players take turns picking up a set of cards that make 10 and turning over the cards underneath the ones removed. The player with the most cards at the end wins.

Variation: Can be played as solitaire - putting the cards in pairs that make 10.
