

Acknowledgements

Manitoba Education and Training wishes to acknowledge the contribution of the Council of Ministers of Education, Canada and the various provinces and territories who participated in the development of the *Common Framework of Science Learning Outcomes K to 12* (upon which this document is based), as well as the many interested Manitoba individuals and groups who provided valuable advice and assistance during the development and review process.

We also thank the following people for their contribution toward the development of the present *Kindergarten to Grade 4 Science: Manitoba Curriculum Framework of Outcomes*:
