

Leadership - Examples

Dear Parent/Caregiver,

We are learning about leaders in our community. These could include a sports coach, Brownie leader, community group leader, et cetera. Please help your child identify a community leader and an example of a time your child demonstrated leadership.

Leaders in My Community

Example:

Name: John	John is a librarian.
	He helps us choose books.
	He teaches us how to care for books.
	He loves to read.
