

Application and Recommendation Form

Application Intake Process

- The Skills Strategy Equipment Enhancement Fund (SSEEF) Application and Recommendation Form must be filled in electronically using the fillable application form. For optimal use of this PDF form, download it to your digital device and complete it using Adobe Acrobat Reader or Adobe Acrobat product. A free copy of Adobe Acrobat Reader can be downloaded at <https://get.adobe.com/reader/>. If you are experiencing difficulty with any of the form features, ensure that your Web browser is using an Adobe Acrobat product as its default PDF viewer.
- This form has targeted questions with limited space for answers, allowing for a streamlined and concise response.
- Please limit one (1) application per program or cluster with one (1) to three (3) equipment requests per application.
- Please complete a new form for each request. Do not re-use old applications, or copy and paste from other applications.
- Incomplete SSEEF applications will not be processed.
- As in the past, schools are to submit completed and signed SSEEF applications to their respective school divisions for review and recommendation.
- Each SSEEF application must include three (3) certified quotes from each supplier or company for equipment purchases and installation (where applicable); quotes from website links will not be accepted. Please indicate the preferred quote on the application form.

Application Submission Instructions

School divisions are being asked to

- review applications submitted by your schools
- prioritize the applications
- recommend up to a maximum of five (5) applications which meet the *Application Criteria and Guidelines* document by submitting them, along with the quotes, by email to tve@gov.mb.ca
- notify your schools regarding which applications were and were not recommended and submitted to Manitoba Education and Early Childhood Learning
- submit SSEEF application(s) by **May 31, 2023**

Larger school divisions offering more than ten (10) full Technical Vocational Education clusters may contact the Senior Years Technology Education Program Unit (contact information below), if they wish to discuss the five (5) application limit.

For information about Apprenticeship or to set up an assessment to ensure your trades program will meet accreditation requirements, please contact Yvonne Hansen, Accreditation Coordinator, Apprenticeship Manitoba, at yvonne.hansen@gov.mb.ca, at 204-945-1837 or, toll-free, at 1-866-332-5077, extension 1837, or at apprenticeship@gov.mb.ca.

For additional information or assistance in preparing your SSEEF application, please contact the Senior Years Technology Education Program Unit at 204-945-1857 or, toll-free, at 1-800-282-8069, extension 1857, or at tve@gov.mb.ca.

2023/2024 Skills Strategy Equipment Enhancement Fund

School Division Application and Recommendation Form

All applications must be recommended and submitted by school divisions (maximum of five [5]). Please complete all fields and include three (3) quotes for each item. Incomplete submissions will not be processed. Only **applications that are completed and submitted electronically** will be considered.

For office use only

Equipment Requested:

Item 1 _____

Item 2 _____

Item 3 _____

Total Amount Requested _____
(Canadian funds, including applicable taxes and additional costs)

Equipment Requested—Please list equipment requests below.

Submit three (3) certified quotes for each item, along with your application, by email. *Quotes from website links will not be accepted.* Costs identified on this form and on quotes must be in **Canadian funds** and include all applicable taxes.

Please list items in order of priority with your preferred quote first. A maximum of three (3) items will be considered.

Item (Priority #1) Name of Equipment _____

Supplier Quotes (listed in order of preference)	Cost—including Taxes (Canadian funds only)	Name of Item on Quote	Indicate delivery/installation date based on order date and when equipment will be used for instruction.

Item (Priority #2) Name of Equipment _____

Supplier Quotes (listed in order of preference)	Cost—including Taxes (Canadian funds only)	Name of Item on Quote	Indicate delivery/installation date based on order date and when equipment will be used for instruction.

Item (Priority #3)

Name of Equipment _____

Supplier Quotes (listed in order of preference)	Cost—including Taxes (Canadian funds only)	Name of Item on Quote	Indicate delivery/installation date based on order date and when equipment will be used for instruction.

New EquipmentWill the new equipment be used to **upgrade** or **expand** the existing program?**Upgrade** Existing Program**Expand** Existing Program**Old Equipment Use** (If upgrading, check all that apply.)

Please specify what will happen to the old equipment from your program (check all that apply).

Old equipment will support other programs

Which program(s)? _____

Old equipment will remain in program

Other

Please specify (e.g., disposal) _____

Additional Costs Associated with Equipment Requested

Additional costs associated with equipment requests such as delivery charges, installation costs, and set-up costs (congruent with safety and building code requirements; i.e., Canadian Standard Association approved, Manitoba Hydro requirements, ventilation requirements, etc.) may or may not be covered through SSEE. The extra costs must be clearly identified in the quotes chart below and are required. Consumable operating costs are not eligible for support.

To ensure divisional support is in place, I acknowledge by signing on the line that additional costs associated with the purchase of this equipment may not be covered through SSEE and the school division will take responsibility for these costs.

Program Impacts

Describe the impacts that this equipment will have on your program. For example, describe what your students will learn by using this equipment and how they will assist students' awareness of emerging technology. List the **most relevant** general learning outcomes (GLOs) and/or specific learning outcomes (SLOs) from the curriculum. Next to each one (maximum of 5), describe how this equipment will be used for learning experiences.

Demonstrated Educational Need

Provide evidence of proposed equipment need(s) to support program currency, relevance, enrolment, regional labour market needs. Is this equipment currently used in the industry? If yes, how?

Consultation

Describe any consultation that you have conducted with industry, business, or post-secondary partners to determine the need for this new equipment. Indicate if the program has an advisory committee.

Partnerships

Describe any industry, business, and/or post-secondary program partnerships, including the High School Apprenticeship Program (HSAP). If your program is a trade, please state whether it is accredited by Apprenticeship Manitoba for Level 1.

Coherence

Indicate any relationship between this programming and other on-site or divisional programming or interdisciplinary activities.

Additional Comments

Provide any additional relevant program information.

School Recommendation (Principal)

I hereby recommend this submission and application for consideration for the 2023/2024 Skills Strategy Equipment Enhancement Fund.

Additional Comments or Notes:
