

# How will my child develop

Your child will develop literacy with ICT in the classroom with his or her own teacher.

**Literacy with ICT is not a separate subject.** Students will develop their literacy with ICT at the same time as they learn how to read, write, calculate, and explore literature, science and social studies.

## Literacy

*Reflect*

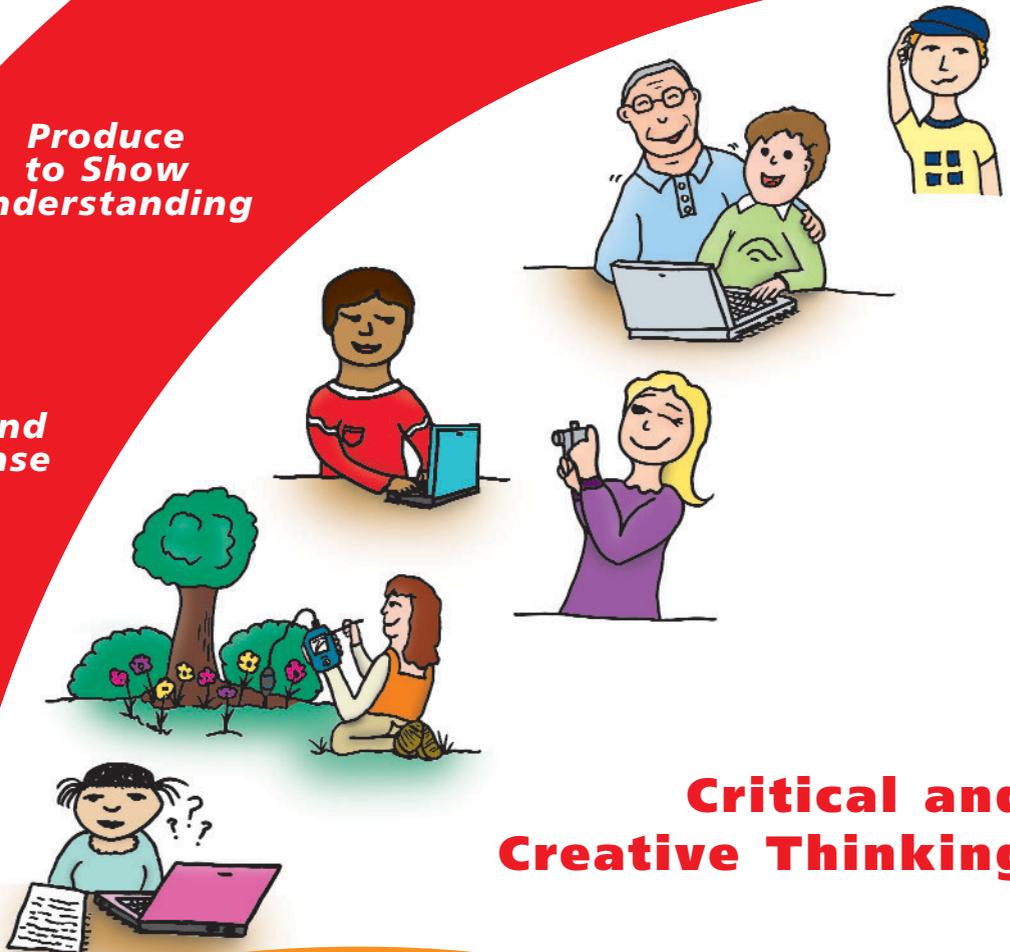

*Communicate*

*Produce to Show Understanding*

*Gather and Make Sense*

*Plan and Question*

**Critical and Creative Thinking**

# Literacy with ICT?

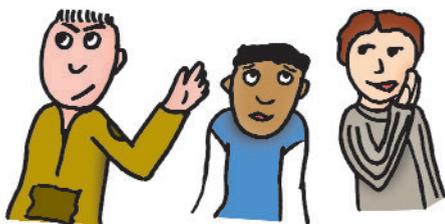

*Literacy with ICT Across the Curriculum* is built on **nine Big Ideas**. There are five Big Ideas focused on critical and creative thinking. There are four Big Ideas focused on ethics and responsibility.

with ICT

**Ethics and Responsibility**

**Social Implications**

**Motivation and Confidence**

**Collaboration**

**Ethics and Responsibility**

Literacy with ICT **IS FOR ME!**
