## PURPOSE

The purpose of the *Subject Table Handbook* is to support schools in the 2003-2004 school year by:

- providing basic information to assist schools in completing the Professional School Personnel system (PSP) forms
- providing basic information to schools for entering student records into the Student Records system (SRS)
- providing subject computer codes for courses developed by Manitoba Education and Youth and for those approved or registered by the Department

A new edition of the *Subject Table Handbook* is distributed at the beginning of each school year. It reflects changes to course codes, credits, etc. that apply for the upcoming school year. Schools are responsible for ensuring that they are using the appropriate edition of the Handbook when recording student marks for Professional Certification and Student Records Unit in Russell, Manitoba. **Note that schools must use the September 2002-June 2003 Subject Table Handbook for reporting 2002-2003 student marks in the summer and fall of 2003.**

This edition of the *Subject Table Handbook* - in effect from September 2003 to June 2004 - will be available online <http://www.edu.gov.mb.ca/ks4/policy/sth.html>. Placing the content of the Handbook online provides information about course codes, levels, and credits to accommodate schools in setting up their registrations and course offerings for the next school year. Some changes may occur over the 2003-04 school year as new curricula are released. The online content will be updated several times during the year, but schools should exercise some caution when setting up their course codes in the spring. The *Subject Table Handbook for Technology Education* is published as a separate handbook and mailed to Senior Years schools only. The Technology Handbook site is <http://www.edu.gov.mb.ca/ks4/docs/policy/sthte/index.html>.

## SENIOR YEARS CREDIT SYSTEM

The Senior Years (Senior 1-4) credit system provides flexibility to enable students to pursue Senior Years courses best suited to their individual requirements and aspirations. A student may earn *one credit* by undertaking and successfully completing a course of study designed for a minimum of 110 hours of instruction. *Half credits* (courses designed for a minimum of 55 hours of instruction) may be earned in like manner. There are two categories of credits: Compulsory and Optional.

## INCREASED CHOICE AND FLEXIBILITY: CHANGES IN REPORTING OF MARKS FOR SENIOR YEARS

In the 2003-2004 school year, all students must graduate under *Increased Choice and Flexibility: Changes to Senior Years Graduation Requirements* released in March 2001. For graduation requirements please see [http://www.edu.gov.mb.ca/ks4/policy/grad\\_require.html](http://www.edu.gov.mb.ca/ks4/policy/grad_require.html).

For a status update on the above report please see *Increasing Choice and Flexibility: Changes to Senior Years Graduation Requirements: A Status Report* (June 2002), at [http://www.edu.gov.mb.ca/ks4/policy/gradreq/choice-flexibility\\_june02.html](http://www.edu.gov.mb.ca/ks4/policy/gradreq/choice-flexibility_june02.html).

## SENIOR YEARS COURSE IDENTIFICATION

### Course Numbering

The present course numbering system comprises a 3-character, alpha-numeric code. The first and second characters are numerals, while the third is a letter.

- **First Character**
  - 1 - for courses developed for Senior 1
  - 2 - for courses developed for Senior 2
  - 3 - for courses developed for Senior 3
  - 4 - for courses developed for Senior 4
- **Second Character**
  - 0 - developed by Manitoba Education and Youth for 1 credit
  - 5 - developed by Manitoba Education and Youth for ½ credit
  - 1 - developed by schools or school divisions and registered by Manitoba Education and Youth (includes SICs and SIPs)
  - 2 - externally developed by an educational authority and, in the case of dual credit, a post-secondary institution (e.g., university, out-of-country).
- **Third Character**
  - G - General
  - F - Foundation
  - S - Specialized
  - E - ESL
  - M - Modified
  - I - Individualized
  - C - College-based
  - U - University-based

### Course Designations

**Foundation (F):** Educational experiences which are broadly based and appropriate for all students and which may lead to further studies beyond the Senior Years (e.g. apprenticeship, college, and university). When new curricula and policies are implemented, as outlined in Departmental correspondence to the field, this designation may come into effect provided the curriculum is a foundation course leading to further study. The definition appears here to indicate that course identification changes will be implemented as new curricula are implemented. **Do not report marks using this designation until you are advised to do so by the Department.**

**General (G):** General educational experiences for all students. The G designation will be retained for Independent Study and Teacher-Mediated courses in all areas until these courses are revised. As system-wide use of new curricula is mandated, the G designation will be phased out. All School-Initiated Courses (SICs) and Student-Initiated Projects (SIPs) remain as G designation.

**Specialized (S):** Educational experiences in specialized areas leading to further studies beyond the Senior Years (e.g., apprenticeship, college, and university).

- ESL (E):** Educational experiences designed to assist students for whom English is not a first language in making a transition into the English Program; an Individual Education Plan (IEP) is required for each student.
- Modified (M):** Educational experiences intended for students with significant cognitive disabilities and where the provincial subject area curriculum outcomes have been modified by 50 per cent or more to take into account the learning requirements of a student; an Individual Education Plan (IEP) is required for each student.
- Individualized (I):** Educational experiences intended for students with significant cognitive disabilities and that are developmentally and age appropriate and highly individualized to take into account the learning requirements of the student; an Individual Education Plan (IEP) is required for each student.
- NOTE:** Students in individualized programming do not use Manitoba Education and Youth curricula. The designation indicates student participation in individualized programming. For example, 11I indicates year one of student participation in locally developed programming individualized for the student; 71I indicates year seven of such participation.
- College-based (C):** Educational experiences at the college level that can be used for dual credits; credit at the Senior 3 and Senior 4 levels and also for the first year of college.
- University-based (U):** Educational experiences at the first year university level that can be used for dual credits (credit at the Senior 4 level) for senior years graduation purposes and also for first year university.

### Course Levels

- Senior 1:** All subject area curricula, except vocational industrial, will be developed as foundation courses. Some technology education curricula may be developed as specialized courses. The Foundation (F) course designation will replace the General (G) course designation as a new curriculum comes into effect.
- Senior 2:** As new curricula are introduced, all subject area curricula, except vocational industrial, science, and mathematics, will be developed as Foundation (F) courses. Some curricula for technology education, science, and mathematics may be developed as Specialized (S) courses.
- Senior 3:** As new curricula are introduced, a variety of subject area curricula will be developed for different purposes, including a range of Foundation (F) and Specialized (S) courses.
- Senior 4:** As new curricula are introduced, a variety of subject area curricula will be developed for different purposes, including a range of Foundation (F), and Specialized (S) courses. Currently, curricula are developed for General (G) and Specialized (S) courses. Courses that qualify for a U designation are first year University Courses. Those that qualify for a C designation are first year College courses.

From Senior 1-4, a particular Foundation, General and/or Specialized subject area curriculum can be modified on an individual basis via a student's Individual Education Plan following Departmental requirements. The M or E course designation then applies.

**NOTE:** No Departmental regulation will prevent a student from taking a designated course in one senior year and then switching to a different designation in a later year.

**Examples:**

<b>Senior 1 Mathematics (10F)</b>	Senior 1, curriculum developed by Manitoba Education and Youth for 1 credit, Foundation course.
<b>Senior 1 Science (10G)</b>	Senior 1, curriculum developed by Manitoba Education and Youth for 1 credit, General course.
<b>Senior 1 Science (10M)</b>	Senior 1, curriculum developed by Manitoba Education and Youth for 1 credit, General course modified in curriculum goals and objectives or outcomes by 50% or more to accommodate students with significant cognitive disabilities.
<b>Senior 1 Futures in Business (15G)</b>	Senior 1, curriculum developed by Manitoba Education and Youth for ½ credit, General course.
<b>Senior 2 Science (20S)</b>	Senior 2, curriculum developed by Manitoba Education and Youth for 1 credit, Specialized course.
<b>Senior 2 Science (20E)</b>	Senior 2, curriculum developed by Manitoba Education and Youth for 1 credit that has been adapted by 50% or more specifically to facilitate an ESL student's acquisition of English and to assist the student in making the transition into regular Senior years programming.
<b>Senior 3 Physical Education SIC (31G)</b>	Senior 3, a school-initiated course developed locally for 1 credit, General course.
<b>Senior 4 Women's Studies SIP (41G)</b>	Senior 4, a student-initiated project developed by student, for 1 credit, General course.
<b>Senior 4 English-IB SL (42S)</b>	Senior 4, developed elsewhere and approved by Manitoba Education and Youth for 1 credit, Specialized course.
<b>Calculus 1 (KC.MSC.1510) 42C</b>	Senior 4, a first year college level course for dual credits, developed by a college and approved by Manitoba Education and Youth for one-half credit, College-based course.

**Calculus (32.1101/6) 42U**

Senior 4, a first year university level course for dual credits, developed by a university and approved by Manitoba Education and Youth for one credit, University-based course.

**Individualized Programming (31I)**

The credit designation applies to those students whose cognitive disabilities are so significant that they are unable to benefit from Department-developed or-approved curricula. The 31I signifies that a student has completed three years in an Individualized program.

**NOTE:** Basic French 6- and 9-year programs are distinguished from each other at Senior 1 and Senior 2, (e.g., French [6 year] 10G, French [9 year] 10G). There is no such distinction in Senior 3 and Senior 4 where Basic French is either General (G) or Specialized (S); for example, Senior 3 French (30S) or Senior 4 French (40G).

**GRANTING CREDITS FOR CADETS, ROYAL WINNIPEG BALLET, AND PRIVATE MUSIC OPTION - SENIOR YEARS**

Information about the granting of credits for Cadets, Royal Winnipeg Ballet, and Private Music Option was communicated in October 1997 as well as February 1996 letters from the Director, Program Development Branch. In the 1997-98 school year, one change was made in the Royal Winnipeg Ballet course code with the addition of one credit at Senior 1, that is 12G. Changes have been made to the Private Music Option; these were communicated in the June 1999 *Educational Change Update*. Course codes related to Cadets, Royal Winnipeg Ballet, and Private Music Option are listed in the section of this handbook titled Department-approved.

**ADVANCED PLACEMENT AND INTERNATIONAL BACCALAUREATE - SENIOR YEARS**

All Advanced Placement (AP) and International Baccalaureate (IB) courses currently offered in Manitoba schools, as communicated to the Department by a Departmental survey of schools, are recognized by the Department and are listed in the *Subject Table Handbook* for both teacher workload and student records/credit purposes as follows:

- externally developed Department-registered
- for one credit based on curriculum designed for 110 hours of instruction or one-half credit based on curriculum designed for 55 hours of instruction
- for Senior 3 and Senior 4 only
- the second digit in the course designation will be a 2 (representing externally developed curricula) and the third digit an S (representing a Specialized course).

Course codes related to IB and AP are listed in the section of this Handbook titled Externally Developed Department-registered.

**CHALLENGE FOR CREDIT**

The Challenge for Credit Option offers students the opportunity to apply prior knowledge in a particular subject area by demonstrating achievement in the learning outcomes of that course/ speciality and receiving credit for it. For information on *The Challenge for Credit Option* refer to [http://www.edu.gov.mb.ca/ks4/policy/gradreq/choice\\_attacha.pdf](http://www.edu.gov.mb.ca/ks4/policy/gradreq/choice_attacha.pdf).

### **CREDIT FOR COMMUNITY SERVICE (STUDENT -INITIATED PROJECT - SIP)**

Students may earn one community Service credit (in the form of a SIP) within the 28 credits for graduation. These SIPs consisting of volunteer service are not to be registered with the Department. A Community Service SIP course code (8977) is available. Guidelines for this SIP are available at [http://www.edu.gov.mb.ca/ks4/policy/gradreq/choice\\_attachb.pdf](http://www.edu.gov.mb.ca/ks4/policy/gradreq/choice_attachb.pdf)

### **DISTANCE LEARNING COURSES:**

Students may take compulsory or optional courses in either print or online format including courses delivered from outside the province. Two documents on distance learning were recently sent to Manitoba schools: [http://www.edu.gov.mb.ca/ks4/docs/policy/online\\_learning](http://www.edu.gov.mb.ca/ks4/docs/policy/online_learning)

**Compulsory Courses:** The course codes for in-province compulsory and optional distance learning courses that are based on Manitoba curricula are the same codes that are used for in-class instruction e.g. 0092 ELA: A Comprehensive Focus 40S

**Optional Courses:** The distance learning optional courses delivered by an out-of-province educational authority will be reported using 12G, 22G, 32S, and 42S designations. Some broad categories of computer codes have been provided, however, should additional course codes be required, schools are asked to communicate with the Department.

### **POST-SECONDARY CREDITS AND SENIOR YEARS - DUAL CREDITS**

Senior years students may take college and university courses for Senior Years graduation credits, for example, Introduction to Psychology (university course) and Safety in the Workplace (college course). The student receives a high school credit as well as a university/college credit. Students can earn a maximum of five (5) dual credits. The decision to participate is a school, or school division decision and funding is also a local matter. Guidelines are available at [http://www.edu.gov.mb.ca/ks4/policy/gradreq/choice\\_guidelines.html](http://www.edu.gov.mb.ca/ks4/policy/gradreq/choice_guidelines.html).

### **SCHOOL-INITIATED COURSES (SICs) AND STUDENT-INITIATED PROJECTS (SIPs)**

*Increasing Choice and Flexibility: Changes to Senior Years Graduation Requirements: A Status Report* (June 2002) ([http://www.edu.gov.mb.ca/ks4/policy/gradreq/report\\_forms.html](http://www.edu.gov.mb.ca/ks4/policy/gradreq/report_forms.html)) outlines the changes in the number of allowable School-Initiated Courses (SICs) and Student-Initiated Projects (SIPs) credits and provides the most current information on registration procedures. SICs increased to eleven from eight and SIPs increased to three from two. These changes have made possible more local course development to meet student need. Submissions will continue to be accepted by print, fax or e-mail, and re-registrations will also be accepted by telephone.

### **SPECIAL LANGUAGE CREDIT OPTION**

This credit option provides for the recognition of Manitoba's linguistic diversity. Students proficient in languages other than English or French are eligible. Only one special language credit may be earned at each of the Senior Years. For further information refer to <http://www.edu.gov.mb.ca/ks4/cur/diversity/langcredits/index.html>.

### **SUBSTITUTION OF CREDITS IN UNUSUAL SITUATIONS**

This change began in the 2001-2002 school year. School divisions/schools can choose whether or not to implement this change. A substitution of a maximum of two credits can be made in any subject area subject to parent approval. If a subject is substituted for another, for example 40S Biology instead of 40S Mathematics, the mark for 40S Biology is recorded and the school transcript would have an asterisk or a note that 40S Biology has been substituted for 40S Mathematics.

*Compulsory Courses: Codes for in-province distance learning courses based on MB curricula are the same codes used for in-class instruction. Optional Courses: Distance learning optional courses delivered by an out-of-province educational authority are reported using 12G, 22G, 32S, and 42S. For 2003-04, some broad categories/codes are provided. Contact the Department for additional codes.*
