Supporting Transgender and Gender Diverse Students in Manitoba Schools was developed by an interdepartmental team led by Manitoba Education and Training, in consultation with educational partner organizations and professionals with experience in working with transgender and gender diverse children and youth.

Educational Jurisdictions and Organizations

Manitoba Education and Training wishes to thank the Nova Scotia Department of Education and Early Childhood Development for their willingness to share their knowledge and give permission to adapt content from their 2014 publication *Guidelines for Supporting Transgender and Gender-nonconforming Students* to inform the development of this support document for Manitoba. The Nova Scotia Department of Education and Early Childhood Development developed their content with guidance and support from the Toronto District School Board and the Canadian Teachers' Federation.

Manitoba Education and Training also gratefully acknowledges Brighton and Hove City Council and Allsorts Youth Project for granting their permission to adapt content from their 2013 resource *Trans* Inclusion Schools Toolkit: Supporting Transgender and Gender-Questioning Children and Young People in Brighton and Hove Schools and Colleges* for inclusion in this support document.

In addition, Manitoba Education and Training sincerely thanks the following educational jurisdictions and organizations whose expertise and resources have informed the development of this support document.

- Egale Canada Human Rights Trust
- Rainbow Resource Centre
- American Psychological Association (APA)
- California School Boards Association
- Gay, Lesbian and Straight Education Network (GLSEN)
- Gender Spectrum
- Trans Youth Family Allies (TYFA)

As well, Manitoba Education and Training thanks all those who contributed their experience and knowledge of diverse sexual orientations, gender identities, and gender expressions in the development of this support document.
