

Grade 12 Social Studies

Cinema as a Witness to Modern History

A new optional course in Grade 12 Social Studies (Draft March 2013)

The potential topics shown are a list of examples found in the document. Depending on the approach used they could become related to sustainable development concepts.

For additional information on developing an education for sustainable development approach to an inquiry topic the document [*Education for Sustainable Development: Kindergarten to Grade 12 Correlation Chart Template and Kindergarten Tool Kit*](#) will assist teachers in the development of their own ESD activities by incorporating the ESD learning outcomes from the correlation charts or from curriculum documents.

Potential area of inquiry topics included are:

- Ideology and revolution
- power and propaganda
- imperialism and decolonization
- social transformation
- war and peace
- oppression and resistance
- environmental impact
- technological change
