

EXCLUSIONS LIST

WNCP ELA K-10 Learning Resources Continuous Submission

Exclusions

The following materials are **not eligible**:

- Student learning resources without teacher support materials
- Kits without teacher support materials and where items are not available for purchase separately
- Teacher support materials or student materials which do not meet WNCP “Final Form” criteria (refer to **Definitions** for specifics with regards to “Final Form”)
- Stand-alone novels/plays (including audio/video) unless a component of an integrated resource or book collection
- Stand-alone trade books or library type materials
- Skill and drill materials in print or electronic form (i.e., materials which focus on isolated skill development and reinforcement)
- Workbooks – usually consumable paperbound books with practice lessons and exercises to develop skills in isolation
- Student and professional reference handbooks such as dictionaries, thesauruses, writing guides, and language handbooks
- Teacher professional (print and non-print) reference materials for use by teachers and/or parents
- Multi-component learning resources not sold separately
- Web-based/online resources
- Distance education materials
- Stand-alone test banks and databases
- Application tools
- Guided reading materials
- Stand-alone videos and audio CDs or cassettes
- Resources that require workshop participation and/or training
- Ministry developed materials
- New editions of any materials on the exclusions list

Copyright Requirements

- Resources with a copyright date of 2002 or earlier will **not** be accepted for review
- Note that no copyright date restrictions exist on materials contained within a student learning resource (e.g., stories, plays, novels, poems, essays, articles, videos, etc.)
