See your school for a complete list of course offerings.

GRADUATION REQUIREMENTS FOR THE FRENCH IMMERSION PROGRAM

Notes

- 1** Students must earn at least **14 credits*** from courses taught in French to meet the requirements of the French Immersion Program Diploma.
 - In Grade 9, a minimum of **4 credits** from courses taught in French;
 - In Grade 10, a minimum of **4 credits** from courses taught in French;
 - In Grade 11, a minimum of **3 credits** from courses taught in French;
 - In Grade 12, a minimum of **3 credits** from courses taught in French.
- 2** Credit cannot be held concurrently for the same course with different course designations (ex: English language arts 10F and 10E).
- 3** Non-Manitoba courses from other jurisdictions may be evaluated and accepted by the school principal for credit to meet Manitoba high school graduation requirements.
- 4** In exceptional circumstances and in discussion with parents, a school administrator may approve the substitution of a maximum of two optional credits for two compulsory credits. All substitution of credits must be reported to Student Records.
- 5** Students following Advanced Placement (AP) or International Baccalaureate (IB) programs must meet the Manitoba graduation requirements, including attaining credits in Grade 12 Français, English, and Mathematics prescribed by the Department, and must write the provincial tests associated with these courses.
- 6** At least **one** optional credit must be at the Grade 11 level and at least **one** optional credit must be at the Grade 12 level.
- 7** Students may obtain credit for a maximum of 11 SICs, 3 SIPs, 4 SLCOs and 4 PMOs at the senior years level.
- 8** Students should ensure that they meet the entrance requirements of the post-secondary education (college or university), training or work situation they intend to pursue.
