

The French Immersion Program in Manitoba

In accordance with the provisions of the Statutes of Manitoba – P250 of the Public Schools Act, children have an opportunity to learn both French and English in Manitoba. As of September 2009, approximately 18,500 students in 101 schools were enrolled in the French Immersion Program, one of the four recognized programs of Manitoba Education, Citizenship and Youth.

The French Immersion Program, designed for non-Francophones, aims to develop functionally bilingual students who are able to communicate in French and English in personal and professional situations.

In Manitoba, the French Immersion Program is offered in one of two school environments:

- the single track model in which the entire student population is enrolled in the French Immersion Program
- the dual track model in which both English and French Immersion Programs coexist in the same school

The French Immersion Program has three possible entry points:

- Early Immersion – Kindergarten and/or Grade 1 entry
- Middle Immersion – Grade 4 entry
- Late Immersion – Grade 7 entry

The purpose of this guide is to provide information about the French Immersion Program with respect to school locations, contact information, delivery models, entry points and grade levels.

Please contact school divisions and schools directly in regards to school catchment areas, enrolment procedures and transportation.

Visit the French Immersion Program in Manitoba website at www.edu.gov.mb.ca/k12/cur/fr_imm_pr.html.

Revised November 2009

A GUIDE TO French Immersion Schools

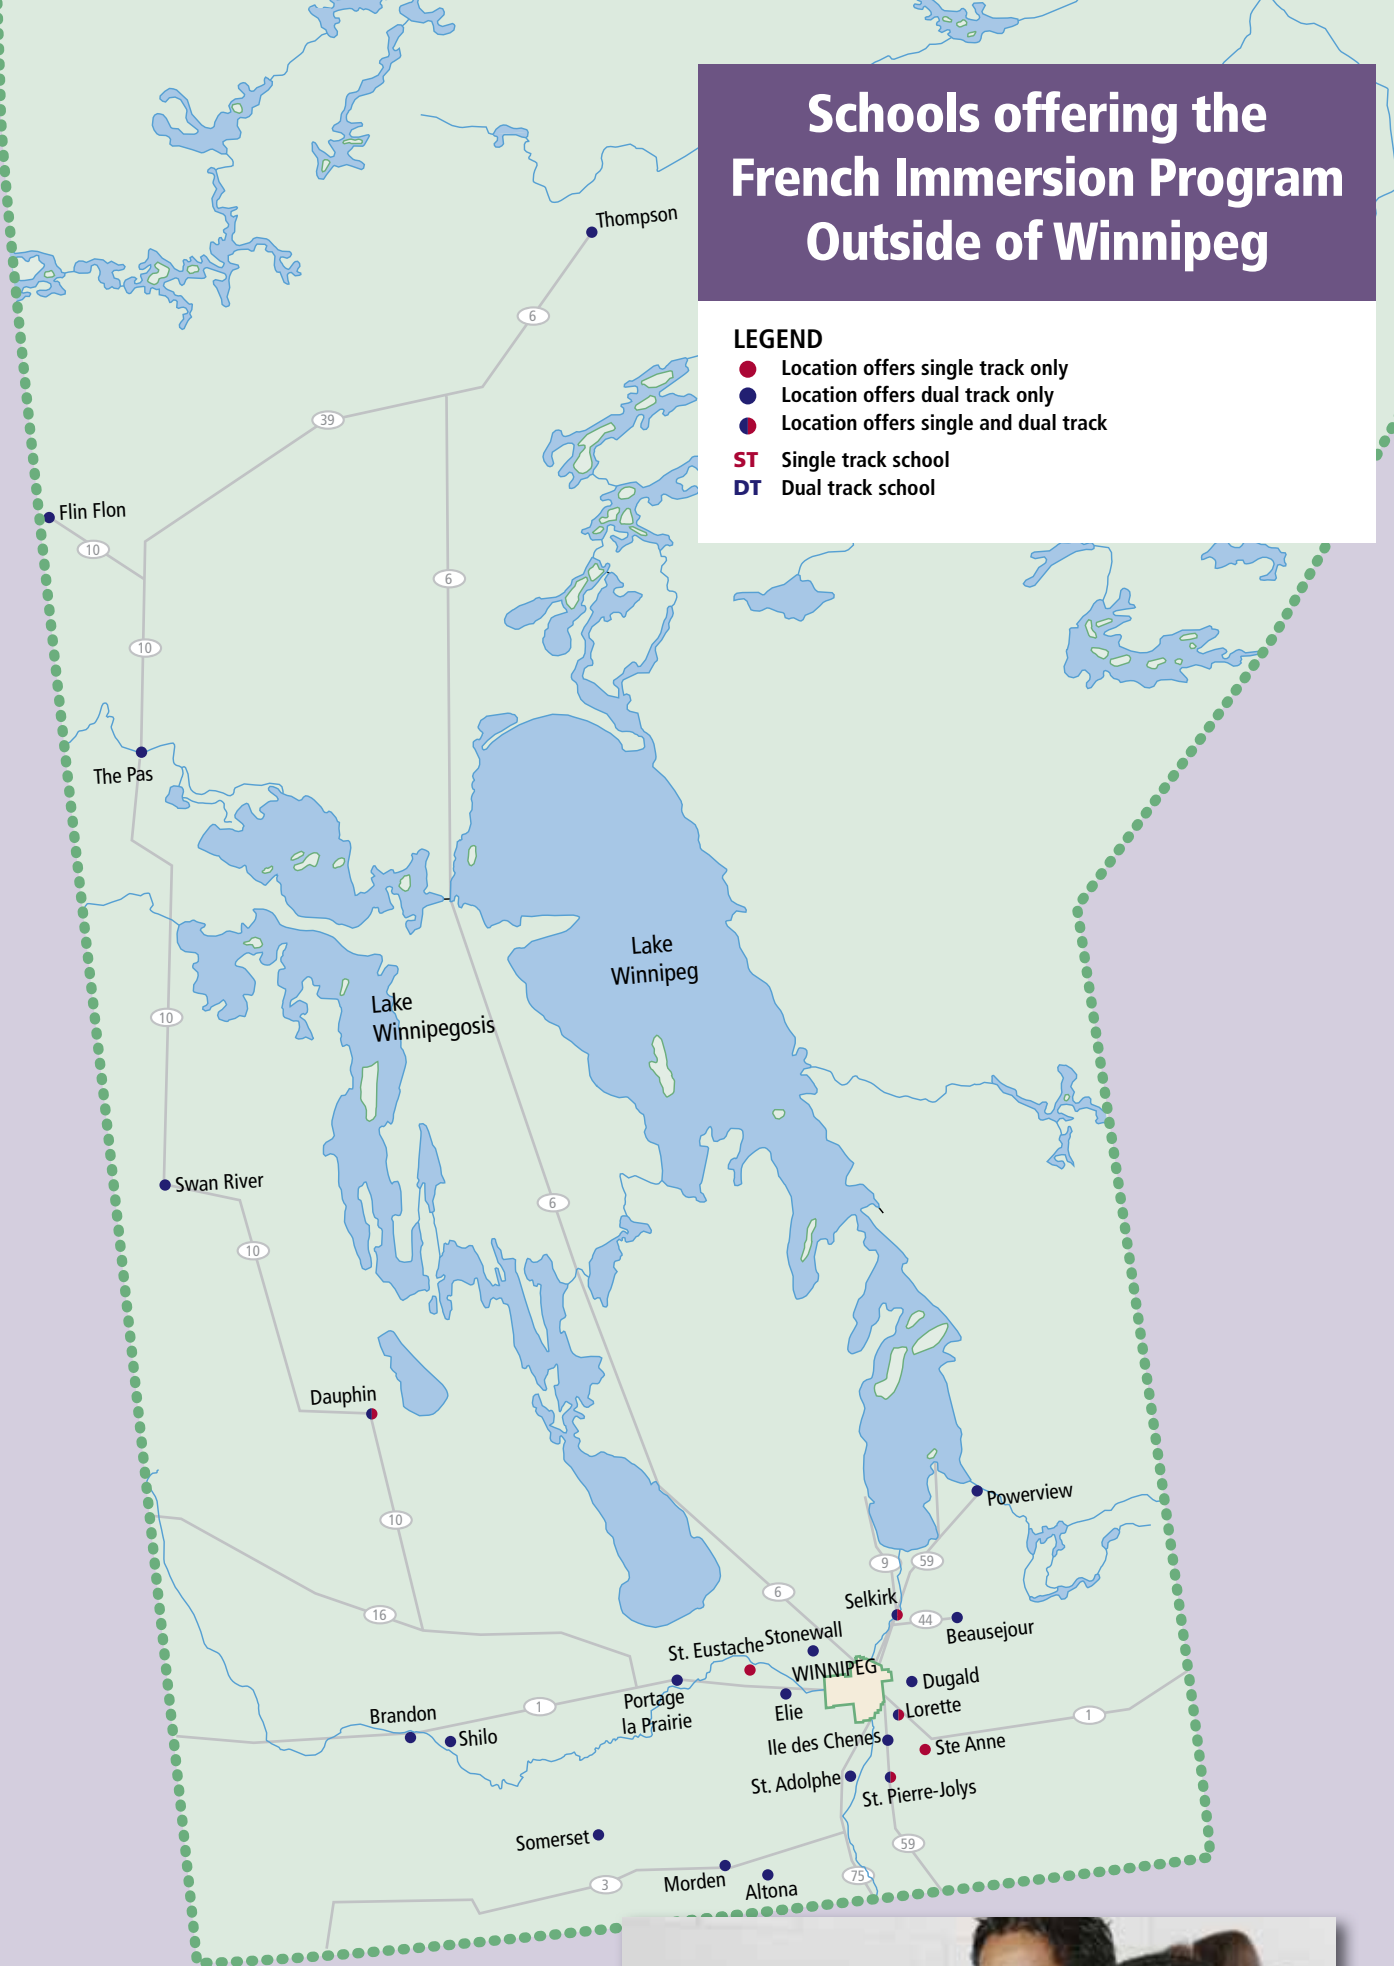

IN MANITOBA

Schools offering the French Immersion Program Outside of Winnipeg
