INTRODUCTION

Purpose

Appropriate Educational Programming: A Handbook for Student Services is a reference guide containing information that supports appropriate educational programming in Manitoba.

Intended Audience

This handbook is intended to provide information that is relevant to student services administrators, school division and school administrators, educators, and school clinicians. Parents and other members of student support teams may also find it useful.

Using the Handbook

In Manitoba, the Minister of Education, Citizenship and Youth is responsible for administering the Kindergarten to Grade 12 education system. The education system is structured to direct and support students' full participation in their educational environment in a way that is responsive to their unique circumstances. The education system is directed and supported by

- legislation
- ministerial letters/directives
- regulations
- standards
- policies and protocols
- guidelines
- support documents

Appropriate Educational Programming: A Handbook for Student Services is divided into sections that are consistent with this structure. Each section contains concise overviews and references addressing a variety of relevant topics.
