

Reading and Writing Time and Date

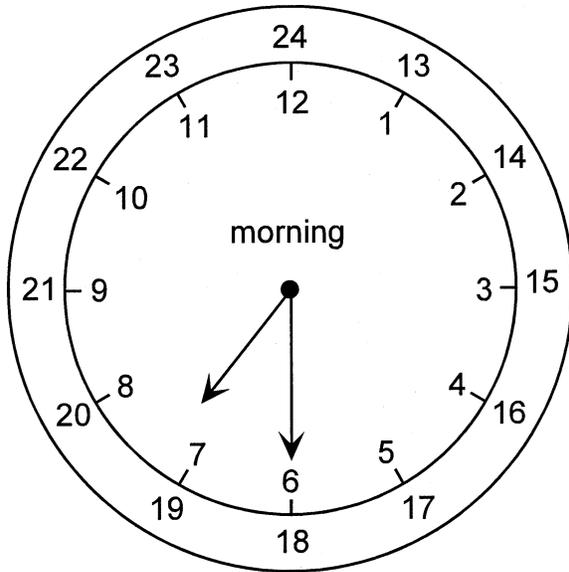

1. Use the following chart to note the dates of significant events in your life. Use everyday language in one column. Then state the dates in SI notation. Add other events that are important to your life.

A Timeline for _____		
Event	Everyday Language	SI Notation
Date and time of birth		
Date you first walked		
Date you started Kindergarten		
Date you will finish Grade 5		
Date you expect to obtain a driver's license		
Date you will graduate		
Date you hope to be hired for a job		
Date you expect to retire		
Date of another important event		

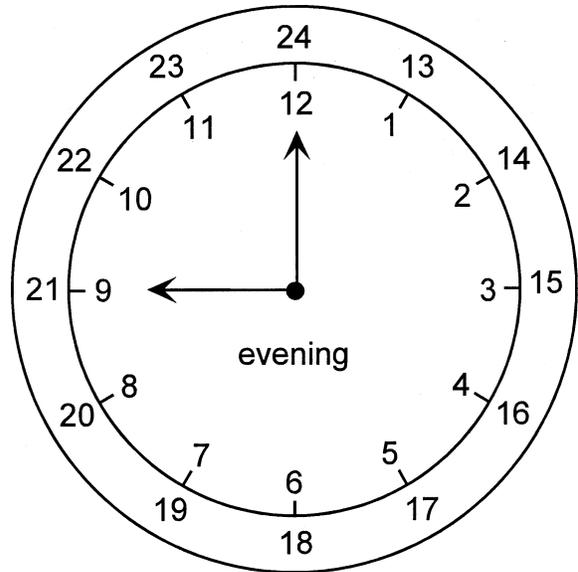

2. Refer to the clocks on the next page. Fill in the 24-hour time in the boxes below clocks A and B. In clocks C and D, draw in and fill in boxes with your school day wake-up time and bedtime.
