**Grades 9 to 12 Human Ecology (Full Credit)** **HE-FC-1**

Course Grade Levels and Credit Allocations	HE-FC-3
Grades 9 to 12 Human Ecology	HE-FC-3
Grades 9 to 12 Human Ecology: Part 1: Family Studies	HE-FC-7
Terminology	HE-FC-9
Goal 3: Demonstrate understanding of health and wellness.	HE-FC-11
Goal 5: Demonstrate understanding of citizenship and sustainability.	HE-FC-14
Goal 6: Demonstrate understanding of career development and the skills required.	HE-FC-16

Grades 9 to 12 Human Ecology: Part 2: Textile Arts and Design	HE-FC-21
Terminology	HE-FC-24
Goal 1: Demonstrate technical and applied skills.	HE-FC-25
Goal 2: Demonstrate understanding of the fundamentals of design.	HE-FC-29
Goal 3: Demonstrate understanding of citizenship and sustainability.	HE-FC-30
Goal 4: Demonstrate understanding of relationships and influences.	HE-FC-33
Goal 5: Develop understanding of environmental design.	HE-FC-34
Goal 6: Demonstrate understanding of career development and the skills required.	HE-FC-35
Grades 9 to 12 Human Ecology: Part 3: Food and Nutrition	HE-FC-41
Terminology	HE-FC-44
Goal 1: Demonstrate technical and applied skills.	HE-FC-45
Goal 2: Demonstrate understanding of fundamentals of nutrition.	HE-FC-51
Goal 3: Demonstrate understanding of citizenship and sustainability.	HE-FC-54
Goal 4: Demonstrate understanding of relationships and influences around food choices.	HE-FC-55
Goal 5: Demonstrate understanding of career development and the skills required.	HE-FC-57

<b>Grades 9 to 12 Family Studies (Half Credit)</b>	<b>FS-HC-1</b>
Course Grade Levels and Credit Allocations	FS-HC-3
Grades 9 to 12 Family Studies Course Descriptions	FS-HC-4
Terminology	FS-HC-5
Goal 1: Demonstrate understanding of the fundamentals of human development	FS-HC-6
Goal 2: Demonstrate understanding of relationships and influences.	FS-HC-10
Goal 3: Demonstrate understanding of health and wellness.	FS-HC-14
Goal 4: Demonstrate understanding of the fundamentals of parenting and caregiving.	FS-HC-19
Goal 5: Demonstrate understanding of citizenship and sustainability.	FS-HC-25
Goal 6: Demonstrate understanding of career development and the skills required.	FS-HC-28

Goal 3: Demonstrate understanding of health and wellness.	FS-FC-19

Goal 4: Demonstrate understanding of the fundamentals of parenting and caregiving.	FS-FC-27
Goal 5: Demonstrate understanding of citizenship and sustainability.	FS-FC-38
Goal 6: Demonstrate understanding of career development and the skills required.	FS-FC-43

<b>Grades 9 to 12 Textile Arts and Design (Half Credit)</b>	<b>TAD-HC-1</b>
Course Grade Levels and Credit Allocations	TAD-HC-3
Grades 9 to 12 Textile Arts and Design Course Descriptions	TAD-HC-3
Terminology	TAD-HC-5
Goal 1: Demonstrate technical and applied skills.	TAD-HC-7
Goal 2: Demonstrate understanding of the fundamentals of design.	TAD-HC-11
Goal 3: Demonstrate understanding of citizenship and sustainability.	TAD-HC-13
Goal 4: Demonstrate understanding of relationships and influences.	TAD-HC-16
Goal 5: Demonstrate understanding of environmental design.	TAD-HC-17
Goal 6: Demonstrate understanding of career development and the skills required.	TAD-HC-18
