

ACKNOWLEDGEMENTS

Manitoba Education gratefully acknowledges the contributions of the following individuals who graciously shared their impressive depth and breadth of knowledge and experience in the development of *Educators' Resource Guide: Supporting Students Who Are Deaf or Hard of Hearing*, both the original 2009 edition and this revised edition.

This endeavour reflects the willingness of individuals holding diverse philosophies to put aside professional differences and collaborate in the best interest of students who are Deaf or hard of hearing (DHH).

"Alone we can do so little; together we can do so much."
– Helen Keller
