

CONNECTING TO BLACKLINE MASTERS

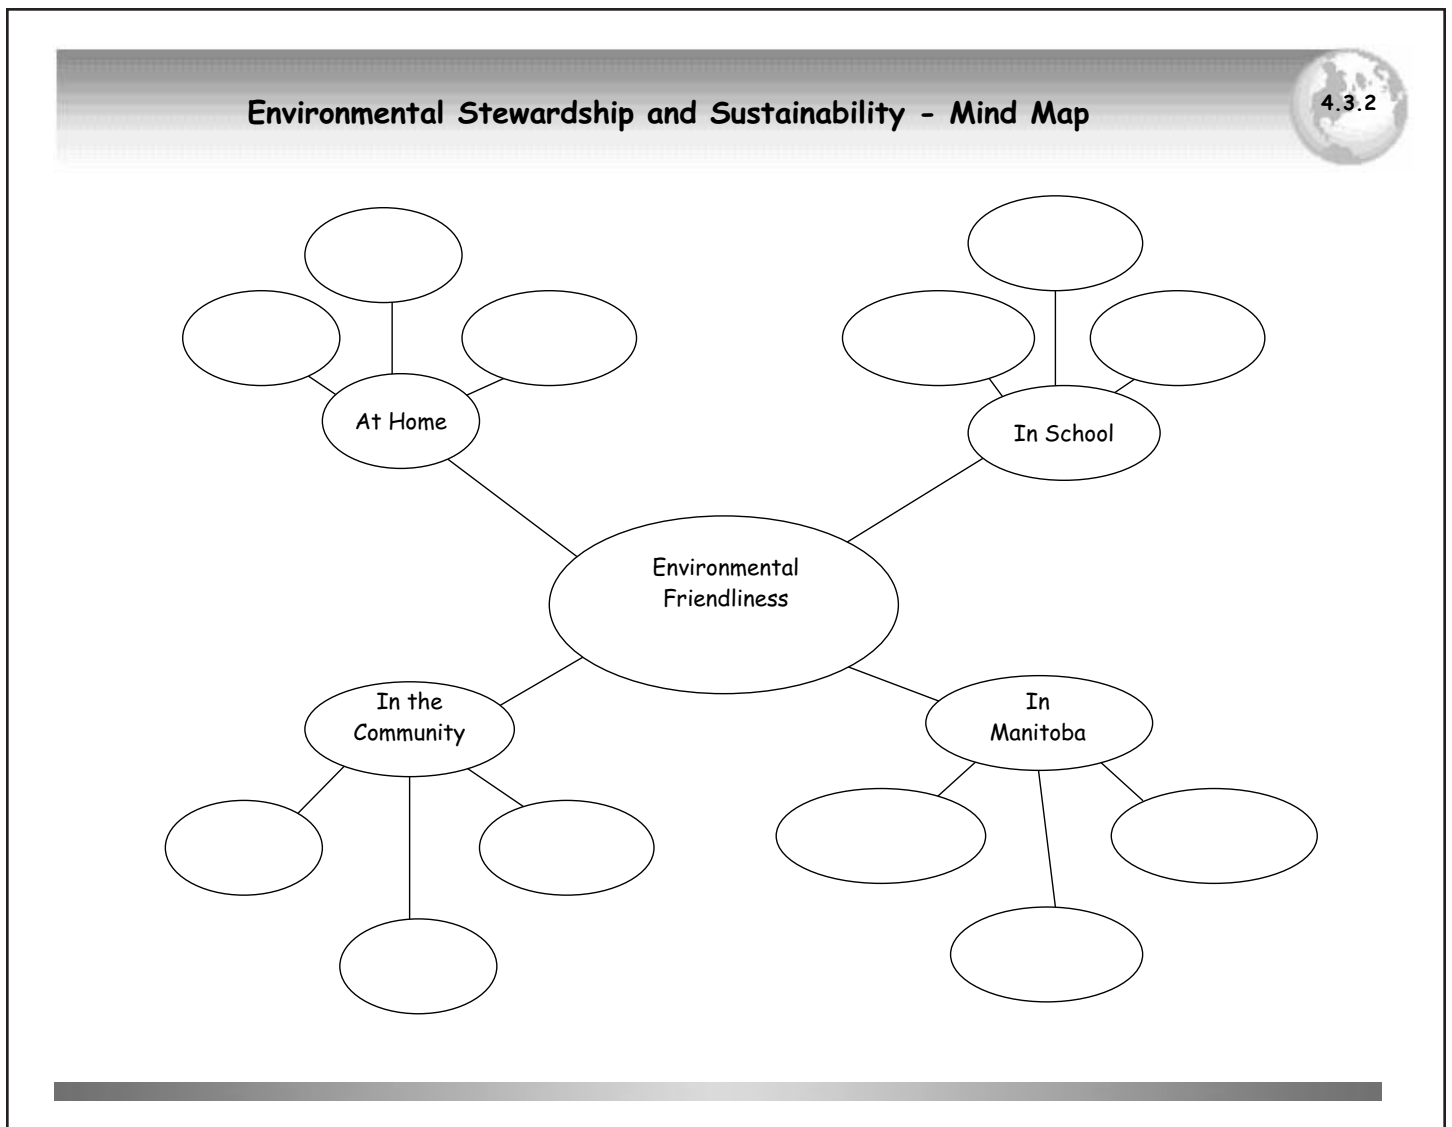

Science, social studies and physical education/health education have many curricular connections to sustainability. Educators are encouraged to go to the curriculum website at www.edu.gov.mb.ca/k12/cur/index.html to view the range of blackline masters (BLMs) that can be used with the poster.

An Example from Social Studies

Grade 4

BLM 4.3.2 Environmental Stewardship and Sustainability - Mind Map

Using the poster, complete the mind map with examples of environmental sustainability and stewardship.

An Example from Physical Education/Health Education

Kindergarten
BLM K-6 I Care for My Teeth

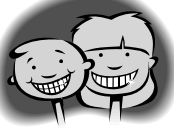

K.5.K.A.3

I Care for My Teeth

Name _____ Class _____ Date _____

Check off (✓) the things you do each time and each day to take care of your teeth.

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Brush teeth 							
Floss 							
Drink milk 							
Eat a healthy snack instead of sweets 							

An Example from Science

Kindergarten to Grade 4
