<b>Senior Years Technology Education Program Credits: 8 to 10</b>		
<ul style="list-style-type: none"> <li>• A minimum of 8 to a maximum of 10 approved credits are required from within an approved Senior Years Technology Education Program cluster.</li> <li>• To graduate with an approved <b>Senior Years Apprenticeship Option</b>, students must fulfil the minimum 30 credit graduation requirements. Students must complete the 18 compulsory requirements and 8 approved Senior Years Apprenticeship Option credits, along with the optional credits (0 to 2).</li> </ul>		
*Anglais for students in a Français Program; English language arts – Immersion for students in a French Immersion Program		
<ul style="list-style-type: none"> <li>• Students must ensure that they meet the entrance requirements of the post-secondary education, training, or work situations they intend to pursue.</li> <li>• Within the approved Senior Years Technology Education Program cluster, students must complete a minimum of 1 Grade 11 credit and 1 Grade 12 credit.</li> <li>• Note: School-Initiated Courses (SICs) and Student-Initiated Projects (SIPs) may be used to fulfil the graduation requirements within the optional credits to a maximum of 11 and 3 respectively. Depending on the different requirements of the four school programs, the number of possible SICs used as optional credit may vary.</li> </ul>		

**Note:** Manitoba Education, Citizenship and Youth (MECY) recently mandated two new Physical Education/Health Education (PE/HE) courses at grades 11 and 12 as a result of recommendations flowing from the *Healthy Kids, Healthy Futures* Task Force Report. This change will bring Manitoba Senior Years graduation requirements to 29 credits for those students graduating in 2008-2009 and to 30 credits for those students graduating in 2009-2010 and beyond.
