Student Programming

Senior Years courses have an identification system that uses 3-character course designations; e.g., 20F. One of the following codes is used as the 3rd character if the expectations for a student are different from the grade-level curriculum in a subject.

E (EAL–English as an Additional Language): Course for students for whom English is not a first language, with learning experiences designed to assist in making the transition into regular programming. An EAL student education plan is required.

M (Modified): Course for students with significant intellectual (cognitive) disabilities and where the learning goals have been modified to accommodate these individual learning needs. An Individual Education Plan (IEP) is required.
