### *"Pillars of Action"*

Check the pillar(s) addressed by your Demonstration Project.

1. Improve the image of technical vocational careers.
  2. Enhance student awareness of technical vocational programming.
  3. Ensure programming relevance to labour market needs.
  4. Facilitate programming articulation between high schools and colleges.
  5. Develop strategies to address technical vocational teacher currency and shortage issues.
  6. Increase funding for equipment to support technical vocational equipment upgrades.
- Other. Please explain \_\_\_\_\_

- \_\_\_\_\_

## Project Proposal

1. Project Abstract:

---

---

---

---

---

---

---

---

---

---

2. Attach a word-processed project proposal (double-spaced) that clearly addresses each item (1-9) listed in the ***Application Proposal Guidelines 2009-2010***.

I hereby approve the submission of this completed application for consideration under the "Technical-Vocational Initiative – Demonstration Project", and hereby grant permission to post the successful project proposal and images on the department's web-site.

It is further agreed that divisional project personnel will participate on a "Lessons Learned" committee to share the results of the Demonstration Project, and provide required reports.
