To: Superintendents of School Divisions

Dear Colleague:

In March of 2013, the Minister of Education declared March of each year as “Perfect Attendance Month”. The Proclamation declares that regular daily attendance is a high priority and that schools, families, and communities make a positive difference in the lives of children and youth in Manitoba through their commitment towards supporting regular daily attendance.

As March 2014 approaches, I would encourage the schools in your division to place a special emphasis on attendance and work with families and the community to make March the month in particular that every child is in school every day.

Enclosed is a list of suggested activities that can support the important work that schools do every day towards regular daily attendance.

Sincerely,
