**ABCs and 123s of DAP**

- Book this workshop for a time and place that is convenient to your early learning team.
- We come to you.
- No charge.

This workshop about developmentally appropriate practice (DAP) will include a brief summary of the work of some major child development theorists, as well as a review of the following:

- 3 core considerations for DAP
- 12 principles of child development
- 5 guidelines for effective teaching
- 10 suggested teaching strategies

Manitoba Education's Early Childhood Education Unit provides leadership and support to school divisions in the area of early learning for children up to age 8 years. Through a collaborative approach, the unit partners with school divisions, other government departments (provincial, federal), educational stakeholder groups, and parents to promote developmentally appropriate programming and services that help to prepare children for successful school entry and optimal learning in the Early Years.
