Nomination Guidelines

Nominations close at 11:59 p.m. CST, May 26, 2023

In 2004, Canada's premiers created the Council of the Federation Literacy Award to recognize achievements in literacy across the country. Since 2005, each province and territory has presented the award to an individual or organization to acknowledge outstanding achievement, innovative practice, and excellence in literacy. In Manitoba, the award is presented to an adult literacy learner who demonstrates an exceptional commitment to learning, combined with personal development. This year marks the 19th annual Council of the Federation Literacy Award. The Premier of Manitoba invites nominations of outstanding adult literacy learners for the 2023 COF Literacy Award

To be eligible for nomination, an individual must:
