Dear Colleagues:

I am pleased to recognize February 2026 as Inclusive Education Month in Manitoba, and acknowledge the dedication of staff, families, and community partners in advancing Manitoba's philosophy of inclusion.

Most importantly, I want to take this opportunity to recognize diverse learners and celebrate their daily successes and achievements. Through our collective efforts, Manitoba's inclusive and accessible approach to education ensures every child and youth has the right to play, learn and reach their full potential in a community of their peers, with respect and dignity.

Thank you for your support and dedication to making sure all children and youth, from every part of Manitoba, from every background, matter, belong, are respected, successful and safe.

The attached proclamation for Inclusive Education Month in Manitoba provides us with dedicated time to recognize and honour our incredibly diverse learners, including families, community partners and staff.

Sincerely,

Honourable Tracy Schmidt
