

## Personal Identity - Factors

Factors that influence identity

|                     |                    |                       |                     |
|---------------------|--------------------|-----------------------|---------------------|
| Cultural background | Languages we speak | Time in which we live | Place where we live |
|                     |                    |                       |                     |
| Groups we belong to | Our families       | Art we enjoy          | Media we see/hear   |
|                     |                    |                       |                     |
