Human Rights – Local Community Services

Basic Human Rights	Provided by (Local Service)
Clean water	
A warm, safe home	
Good food	
Education	
Health care	
A safe neigbourhood	
A place for needy families to get food and clothing	
Protection from violence	
Dental care	
A library filled with books	

Choose one community service to write about. Describe how that service helps people and supports human rights. Explain why all people equally deserve those services.
