

Note-Taking Frame: Observing Historical Images

6.1.6
a

Source:	Date:
Describe the people in the picture, and note what they are doing.	Describe the environment or background in the picture.
Describe buildings, constructions, machinery, or other items in the picture.	What is the focal point, or main point of interest, in this picture?
Invent a title for this picture.	Do you have a question about this picture?
Why did you select this picture?	What does this picture tell you about life in the past?

Attach your picture to this sheet, and save in an electronic file with a title that is easy to remember. Be prepared to share your selected images with other members of the class.
