

Boom and Bust

1. Read the list of words.
2. Sort the words into two categories by placing them into the two boxes on the right. Consult your notes, dictionaries, or other sources as you sort and predict the meaning of these words.
3. Design a creative title for each of the two boxes.
4. Add words to the lists if you know any other ideas that fall under each of the categories.

<ul style="list-style-type: none">• boom• dust storms• relief (welfare) lines• luxury products• business investment• lots of debt• riding the rails• low incomes• lots of spending• government assistance• plenty of products to sell• high incomes• work camps• Roaring Twenties• low wages• bust• drought• growing economy• high production• abandoned farms• excellent wheat production• lots of buying and selling• soup kitchens• new products• very little buying and selling• exports to other countries• Dirty Thirties• unemployment• plenty of jobs• high wages• Depression	<p>Title: _____</p>
