

# KWL Chart on a Society of Africa, Asia, or Australasia

This is the country whose society I will be studying:

| What I Already Know  | My Questions | What I Learned |
|--|--------------|----------------|
| Geography and population   |              |                |
| History and government   |              |                |
| Culture (ways of life)<br>Beliefs and values<br>Art<br>Education<br>Religion |              |                |
| Work, trade, quality of life   |              |                |
| Technology, transportation,<br>media   |              |                |
