

Natural Environment and Ways of Life

| Characteristic of the Environment | Effects on Ways of Life |
|--|-------------------------|
| <p>Climate: Temperature, seasons, precipitation, sunshine</p>  | |
| <p>Soils, arable land</p>  | |
| <p>Location: Is this country land-locked? Is it an island? Does it have access to the sea? Who are its neighbours? ...</p>  | |

| | |
|--|--|
| <p>Access to freshwater sources</p>  | |
| <p>Land forms: Is this a mountainous or flat region?</p>  | |
| <p>What kind of vegetation grows naturally in this region?</p>  | |
| <p>Natural resources: Type and location</p> | |
