

Trip Planner - Europe or the Americas

Attach a map showing your planned itinerary.

Main country I will be visiting:	How I plan to get there: Approximate travel time:
Range of latitude and longitude of this country	What is the difference between local time at home and local time in this country?
What types of natural sights do I expect to see in this country?	What types of human activities do I expect to see in this country?
What languages are spoken in this country?	What type of currency (money) shall I need to use in this country?
Name some of the cities I will visit during this trip.	What types of sights and experiences am I most looking forward to during my visit?
What equipment and clothing am I bringing along on this trip?	Why did I choose this country?
What am I most concerned about as I travel to a place with a completely different culture?
