

ACKNOWLEDGEMENTS

Manitoba Education and Advanced Learning wishes to thank the 11 young Manitobans—Anam, Angelica, Bandiri, Favor, Keza, Layla, Mary, Mustapha, Nevaeh, Tanya, and Yödu (aliases)—who shared the life experiences and stories that are featured in this document. Without their courage and desire to help others, this project would not be possible. Collectively, their stories provide insights into the range of experiences, challenges, and successes of war-affected and refugee learners. They also point to the incredible resolve, resiliency, and hope that such learners demonstrate on a daily basis.
