This publication is based on the **Employability Skills Portfolio** developed in partnership with the Winnipeg Chamber of Commerce, St. James-Assiniboia School Division and Manitoba Education and Youth in 1995. The materials were widely distributed and are still in use in many schools.

The information presented in **A Self-Managed Career Portfolio Guide** was selected by teachers working directly with students developing portfolios.

Manitoba Education, Citizenship and Youth gratefully acknowledges the students from Murdoch Mackay Collegiate and Collège Pierre Elliott-Trudeau who took part in the initial research.
