INTRODUCTION

The September 30, 2002 Enrolment Report has been compiled by the Schools' Finance Branch, Manitoba Education and Youth for the 2002-2003 school year. The report provides enrolment statistics based on data reported annually by public schools, independent schools and home schools in the Province of Manitoba.

Enrolment reporting is mandatory for public and funded independent schools and optional for non-funded independent schools. Nursery enrolment represents pupils attending school division or independent school nursery programs only.

The report contains enrolment summaries at the provincial, divisional and school level by grade. Enrolment is reported on the basis of the total number of pupils attending school on September 30, 2002. Enrolment statistics contained herein are not representative of the number of pupils eligible for provincial funding. Pupil statistics pertaining to funding eligibility are available in FRAME reports (Financial Reporting and Accounting in Manitoba Education) which can be found at: www.edu.gov.mb.ca/ks4/finance/facts/.

Effective July 2002, the number of school divisions/districts in Manitoba was reduced through the merger of various divisions and the creation of new division boundaries (see page 2). Where applicable, prior year enrolment statistics have been re-stated on the basis of the new amalgamated school division boundaries for comparison purposes.

Furthermore, the school division/district number has been eliminated from school division/district names. This report is organized in alphabetical order by new school division/district name.
