

0

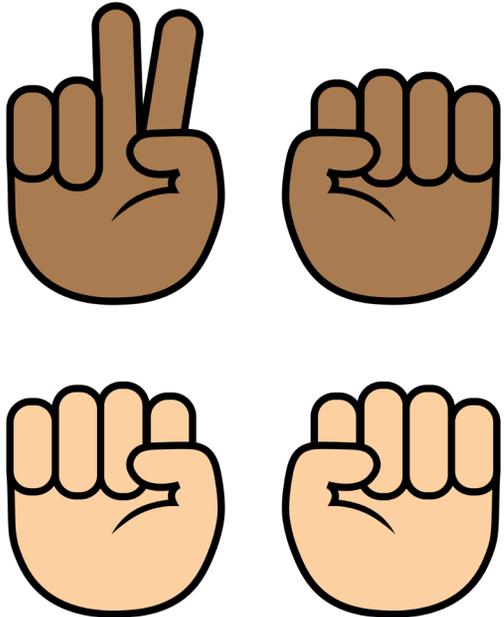

This panel shows the numeral '0' on the left. To its right are four hands arranged in a 2x2 grid. The top two hands are brown and have all fingers curled into a fist. The bottom two hands are light orange and also have all fingers curled into a fist, representing zero fingers.

1

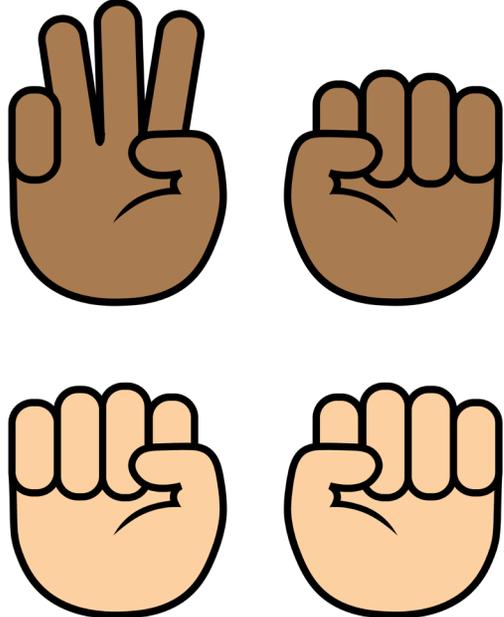

This panel shows the numeral '1' on the left. To its right are four hands arranged in a 2x2 grid. The top two hands are brown; the left one has one index finger extended, and the right one has all fingers curled. The bottom two hands are light orange and have all fingers curled, representing one finger.

2

This panel shows the numeral '2' on the left. To its right are four hands arranged in a 2x2 grid. The top two hands are brown; the left one has two fingers (index and middle) extended, and the right one has all fingers curled. The bottom two hands are light orange and have all fingers curled, representing two fingers.

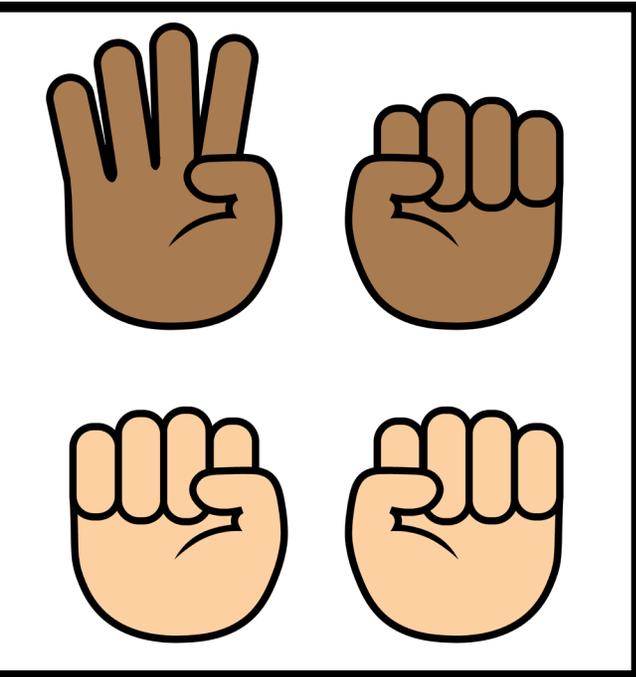

3

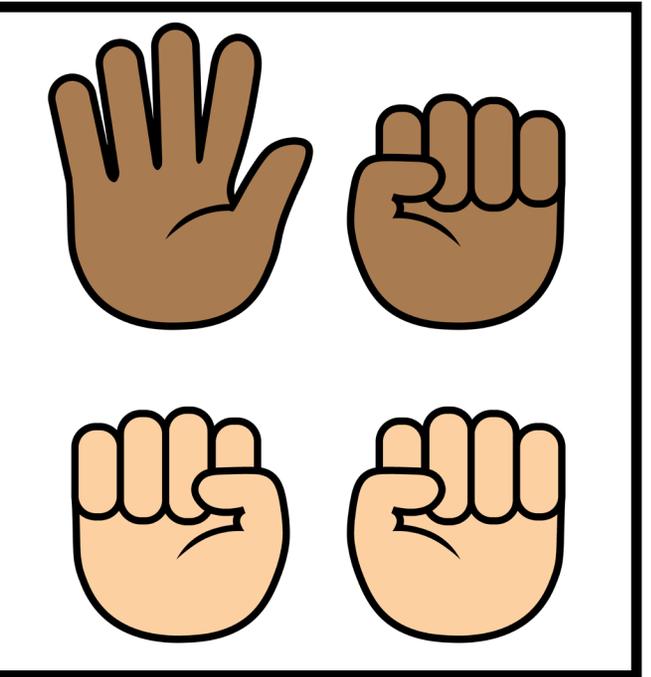

This panel shows the numeral '3' on the left. To its right are four hands arranged in a 2x2 grid. The top two hands are brown; the left one has three fingers (index, middle, and ring) extended, and the right one has all fingers curled. The bottom two hands are light orange and have all fingers curled, representing three fingers.
