

APPENDIX B2

Community Service Student-initiated Project (SIP) Approval Form

The Community Service Student-initiated Project (SIP) Credit Option enables students who make a contribution to their community by volunteering for worthwhile causes or organizations to receive recognition for the civic skills, knowledge and attitudes obtained in the volunteer activity.

The volunteering done by students participating in this SIP is not the responsibility of the school, school division or Manitoba Education, Training and Youth but an opportunity made available to students to obtain credit for private activity - a process similar to obtaining credit for the Private Music Option where students provide documentation on their standing to the school following completion of the activity.
