

School Bus Electrical SAFETY GUIDE

When you play in your home or outside, Louie knows that you always obey electrical safety rules. Now Louie wants you to know that electrical safety is important on your school bus too! If your school bus is in an accident and a power line comes down on or near your bus, follow these important rules - so you'll be safe!

School Bus SAFETY

RULE 1 OBEY YOUR BUS DRIVER!

LISTEN to your bus driver.

RULE 2 BE VERY QUIET AND SIT STILL!

WAIT for your bus driver to tell you what to do next.

RULE 3 STAY IN YOUR SEAT!

BE CALM. Your bus driver will tell you when it is safe to leave the bus.

NEVER TOUCH FALLEN WIRES!

RULE 4 HOW TO GET OFF THE BUS!

4

If your driver tells you it's time to leave the bus, follow these rules:

- **LINE UP** quickly and quietly.
- **WATCH** the driver for instructions.
- **KEEP** your feet together.
- **HOLD** your arms tightly at your sides.
- **HOP** off the bus.
- **JUMP CLEAR** without touching the bus and the ground at the same time.
- **LAND** with feet together and shuffle a safe distance away from the bus.

RULE 5 MOVE AWAY FROM THE BUS.

5

STAY a safe distance away from the accident.

RULE 6 STAY TOGETHER IN A GROUP.

6

LISTEN to your bus driver until help arrives.
