

If you could talk to the Minister...

what would you say?

Join the Manitoba Education and Early Childhood Learning Student Advisory Council

- We're looking for up to 30 students, enrolled in grades 9-12, from across Manitoba.
- We want students with diverse identities, interests and backgrounds to provide the student perspective on current and developing education issues.
- Join us to address important topics, emerging issues—and more!

Student voices have helped shape issues like:

Technology in the classroom

Climate change education

Remote learning

AI in education

Curriculum review

The Access to Menstrual Products initiative

Combatting racism at school
