BLM ICT.9#2: Web Search Record

Name _____   Date _____

Note: File this BLM in the section of your Personal OLE Binder reserved for Share the Learning.

1. What information were you looking for?

2. List the search terms you used.

3. What engine(s) did you use?

4. Comment on the search results:

    a. Number of hits: _____

    b. Were there too many hits or too few hits?

        •   If there were too many hits, what terms did you use to refine your search?

        •   If there were too few hits, what did you do to expand your search?

5. Did you find hits with appropriate information? Explain.

6. List two suitable hits you followed up that met criteria for valuable websites. Explain, in two sentences, why they were suitable.
