

BLM OLE.9#2: Newspaper Learning Centre

Overview

At this learning centre, use word processing software to write a paragraph about a news event for which you have taken notes, using BLM OLE.9#3: 5Ws + H Chart.

Software Resources

- word processing

Task

- Use BLM OLE.9#3: 5Ws + H Chart to record notes from interviews.
- Using the notes taken with BLM OLE.9#3: 5Ws + H Chart, write a one-paragraph article for the class newspaper.
- In a peer conference, have a partner comment on your paragraph. Discuss editing suggestions. Make the changes.

Collaborative Goal

- Each team decides how to rotate pairs for writing and editing at the computer.
