## **INTRODUCTION**

La Direction des finances des écoles du ministère de l'Éducation, de la Formation professionnelle et de la Jeunesse Manitoba a compilé des statistiques portant sur les inscriptions scolaires des écoles publiques et indépendantes de la province du Manitoba pour l'année scolaire 2001-2002. Les statistiques renfermées dans le présent rapport proviennent des données que nous font parvenir, tous les ans, les écoles publiques, les écoles indépendantes et les participants des programmes d'enseignement à domicile de la province du Manitoba.

Les écoles publiques et indépendantes sont tenues de communiquer les renseignements sur l'inscription; pour les écoles indépendantes non subventionnées, par contre, ce processus est facultatif. Les inscriptions de la prématernelle représentent uniquement les élèves inscrits à des programmes de prématernelle offerts par la division scolaire ou par l'école indépendante.

Les sommaires des inscriptions renfermés dans le présent rapport correspondent aux niveaux provincial, divisionnaire et scolaire, et sont présentés par année d'études. Le nombre d'inscriptions correspond au nombre total d'élèves qui fréquentaient l'école au 30 septembre 2001. Les statistiques sur l'inscription qui figurent dans le présent rapport ne sont pas conformes au nombre d'élèves admissibles à une aide provinciale. Vous trouverez dans les rapports sur le système comptable FRAME des statistiques sur les critères d'admissibilité au financement qui vous pouvez consulter à l'adresse suivante :
